High Court Rules Against City in Redistricting

All But One School Head Retains Post

Large Crowd Out for School Board Meeting Tuesday

By DON KLOTZBUECHER

Palm Springs Unified School District board of trustees meeting Tuesday evening continued to be the most popular in the area with the audience again in excess of 150, and with 20 of these remaining until the final adjournment at 1:10 a.m. Wednesday.

Most of those present were there for a specific purpose, with a few curious onlookers in attendance because of the stormy session last Thursday.

THE MEETING itself was more calm, although charges and countercharges again featured the session. The board spent part of the time in executive session, hearing the story of Cathedral City residents who sought the removal of Mrs. Helen Emery as principal of their school, and then discussed as a committee of the whole qualifications of all school administrators before reconvening in open session to take action.

Twenty interested spectators waited for the board to reconvene at 1 a.m.

ALL ADMINISTRATORS except Mrs. Emery were rehired for next year, including Seamus Nunan, principal of Nellie Coffman Junior high school, who was under attack at the meeting last week. Mrs. Emery will be retained as a teacher.

Thirty parents of the Cathedral City students sought the action, and said that they had petitioned the board with a similar proposal last year.

THE BOARD voted to hear the specific complaints in executive session because, as Member Ray Sorum said, "we question very much the moral right to discuss any person in public." Even though it is an executive session, he added, "I will vote on the matter the way I see it, and not as an agreed action of the board members."

Only dissenting vote on the adoption of the recommendation of the committee-as-a-whole was from Halg Harris, who probably based his vote on the rehiring of Nunan, with whom he had clashed at the previous meeting.

FOR THE SECOND TIME within a week, a teacher had his say at the session, this time in support of the Cathedral City group. In response to a statement that he would leave if Mrs. Emery was not replaced, and a question of this action by the board, Robert Irvine said that "it is not a rumor, but a fact."

Another argument of moral issues was given by Culver Nichols, when the board sought to discourage him from presenting an oral statement on the "attendance zoning" issue because it was not listed on agenda.

NICHOLS DEMANDED the right to be heard, besides presenting his petitions containing 122 new names in addition to the 70 he presented last week. "If you do not hear the public, there is no reason to hold a See SCHOOLS, Page 6a

NEW DIRECTORS — Annual business—and fun banquet of the Palm Springs Hotel and Apartment association in addition to other directors elected saw those above selected for the board. They are, left to right, Harry Bogart, owner of the Laurita Lodge; Evelyn Pell, Village Royal; honored guest Fire Chief Bill Leonese; the organization's legal counselor Saul Ruskin; Adele Colgan, Chuckwalla Manor and John Miller, Monte Vista hotel. (Story Page 2b.)

Council Refuses More Time on Substandard Housing

The six month housing moratorium granted residents of substandard housing in Section 14 will end as scheduled June 1, with council declining Tuesday evening to grant a further extension.

This will start abatement proceedings, which had first been scheduled to begin June 30, 1953.

Under terms of the law, residents or owners of the homes

must either bring their buildings up to state health and safety standards, or raze the buildings.

Delay had been ordered to enable residents to secure other housing.

City Manager R. W. Peterson told council that the program will be conducted at a slow pace, to further aid residents in securing housing elsewhere.

Burning Ban to be Lifted June 1

Burning will again be permitted during the Summer months, under permits secured from the fire departments, council decided Tuesday evening.

Dates when burning will be sanctioned are June 1 through October 31.

The starting is later than last year, but it will extend longer in the Fall, to permit property owners to clean up their yards when returning from vacation.

ALL PERSONS wishing to burn rubbish must first secure a permit from the fire department, and then can only burn between 8 a.m. and 12 noon.

City Manager R. W. Peterson reported to council that the Summer program was very successful last year, with 835 permits issued, and only two instances where the fire department was called out as a precautionary measure.

THE LATER STARTING date was proposed because a large number of visitors remain in the Village until after the Memorial Day weekend holiday.

Council two years ago instituted the ban on burning during the Fall, Winter and Spring seasons, to protect visitors and Winter residents from any possible air irritants.

Summer Meter Operation June 1

Summer operation of parking meters will go into effect June 1 and continue until August 31, it was decided by city council Tuesday evening.

Conforming to the annual custom, a large number of meters will not be in operation, permitting the meter heads to be serviced for operation next Fall.

Only areas to be in operation will be Palm Canyon drive between Alejo road and Arenas road, and Andreas road between Palm Canyon drive and Indian avenue.

City Manager R. W. Peterson, in recommending the action, said that the meters in operation will be patrolled, and the parking limit enforced.

In past years, he said, there have been ample parking spaces available in other areas without having the meters in operation.

The meter heads not in operation will be either removed or covered.

FENDER SKIRT GONE

Loss or theft of a fender skirt from his car parked on Palm Canyon drive was reported to police Tuesday by Gus Ehrlich, Los Angeles. The skirt was valued at \$35.

Ailment, Brought on by Accident, Fatal to Woman

Mrs. Tillie Patencio Ruiz, 44, 1444 East Ramon road, an adult member of the Agua Caliente Band of Mission Indians, died at 7:55 p.m., Saturday, at Desert hospital, due to a liver condition aggravated by an accident earlier in the day, according to Deputy Coroner Arvid Depew. She had been ill for some time.

Mrs. Ruiz was a passenger in the car driven by her husband, Marcus Ruiz, when it collided with a car driven by May Marie Frum of Palm Desert.

THE ACCIDENT occurred at 3 p.m. in the 1400 block of East Ramon road, with Ruiz driving out of a trailer park residence, and Mrs. Frum traveling east on East Ramon.

Damage to both cars was estimated at \$450, and Ruiz was cited by investigating officers for violating the right-of-way of another automobile.

The death of Mrs. Ruiz leaves 26 adult members of the Agua Caliente Band of Mission Indians.

Also treated at Desert hospital for injuries suffered in the accident were Mary M. Hyde, Banning, a passenger in the Ruiz car, and Mrs. Frum.

FUNERAL SERVICES for Mrs. Ruiz will be conducted at 9 a.m. today, Thursday, at Our Lady of Guadalupe church, with the Rev. Francis Spadaro officiating. Interment will follow in the Tribal cemetery. Rosary was said last night at Wiefels and Son Mortuary. Immediate friends and relatives are invited to the services.

Survivors besides her husband, Marcus Peter Ruiz, are six daughters, Mrs. Irene Miguel, 473 North Calle Encinita; Corinne and Dora Welmas of Riverside; Vera Saubel, Corona; Renona Welmas and Gwendolyn Saubel of San Luis Rey; three sons, Albert Welmas, overseas with the U.S. Army; Robert and Ronald Saubel of Corona; one sister, Mrs. Flora Patencio, Palm Springs, and one grandchild.

Candidates Will Address Group

Two more candidates for office in the June 8 primaries will be speakers at the meeting of the Lessees of Palm Springs Indian Land at 7:30 p.m., Friday, May 21, at the Frances Stevens school auditorium.

They are: Howard Poe, candidate for constable, and Wallace P. Rouse, candidate for superior court judge.

The public is invited. President George A. Prosser will preside.

Retail Merchants to Meet Tuesday

Retail Merchants Division of the Palm Springs Chamber of Commerce will meet at 7:30 p.m., Tuesday, May 25, in the Chamber offices.

This will be the first meeting of the new directors elected May 11. President Adrian Rosen will preside.

City Rejects Bid to Share Flood Costs

Flood Zone Board Request for 50-50 Payment Refused

City council Tuesday evening turned "thumbs down" on a proposal from the Zone 6 flood control commissioners to participate on a fifty-fifty basis in the flood protection program in Palm Canyon.

The request was made by letter, and the commissioners had asked for a reply by the time of their final budget hearing Friday, May 28.

COMMISSIONERS Willard R. Hillery, Raymond M. Sorum and William A. Mason pointed out that regardless of the outcome of the request, Palm Canyon flood control will continue to be the major project in Zone 6, but completion of the work would take three years unless a bond issue was asked.

Total cost of the project was estimated at \$185,000, with the city and Zone 6 each contributing \$92,500.

COUNCIL MEMBERS, in rejecting the proposal, said that 84 percent of the funds raised by taxation for Zone 6 improvements come from within the city limits of Palm Springs, and it would not be fair to local taxpayers to further add to their tax burden by the city participating in the project.

They added that all major projects within the city limits in the past have been paid for by contributions from private parties, but praised the flood control commissioners for work on smaller projects in this area.

THE PROJECT itself would include acquisition of all necessary rights-of-way, and the levee carried across the canyon to the western end of the fan. The levee would be concrete faced, and designed to give protection for all floods up to and including what is considered to be a "hundred year flood."

Commissioners reported that this levee would give this protection to all that property and land lying immediately north of the Palm Canyon cone, covering all or parts of four sections. They estimated that the increase in land valuation due to this protection would be approximately \$3,500,000.

City aid was requested, the commissioners said, because the funds are now available in the city's capital outlay fund, and would not require additional taxation.

THEY THEMSELVES are opposed to any substantial increase in the flood control tax rate, thereby making the project a three-year program without city aid, the commissioners continued. If the city participated, the work could be completed within the next fiscal year.

The bond issue was brought up as an alternative, but "owing to the necessity for an election, and should the measure pass, to the added tax burden which such a bond issue would impose," the commissioners said they hoped this solution could be avoided.

Blaze Destroys Auto of Visitor

A 1948 Cadillac convertible was destroyed by fire at 7:42 a.m., Sunday, with the origin in the right rear wheel.

Firemen from Station No. 1, who answered the call, reported that owner Neil Young of Los Angeles, drove the vehicle as far as possible to secure aid. The fire had spread too far to be stopped by the time aid arrived, they said.

Protect Smoke Trees, Plea of Councilwoman Hardy

An appeal to preserve one of the Palm Springs greatest attractions, the smoke tree, was made this week by Councilwoman Ruth Hardy.

It is a matter of great concern to all desert residents, Mrs. Hardy said, as visitors come for many miles to see the smoke tree in its natural growth here.

Many Villagers have contacted her during the past

PLAN CONTEST TO PICK VILLAGE SUMMER QUEEN

On May 27 in the Starlite Room of the Chi Chi the search for the "Summer Sun-Kissed Queen" of Palm Springs will get under way, with an avenue leading perhaps to stardom in the theatrical world.

In addition to the array of professional talent plus the introduction of Mickey Finn, ex-Los Angeles police officer, who will also entertain with songs and guitar playing, the audience will participate in the selection of the first-night winner of the most beautiful, and personable entrant for the queen contest.

Valuable awards will be made during the final selection of the winner on July 15.

Before that time some lucky girl may (arrangements are being negotiated now) participate in eliminations and possibly the finals for "Miss Universe"

won by Miss France at Long Beach last year.

As it stands now, girls ranging in age from 17 to 28 may enter the contest for the "Summer Sun-Kissed Queen" of Palm Springs. All the contestants have to do is appear at 8 p.m. in the Starlite Room attired in a sun suit or bathing suit. Those under 21 will have to be accompanied by their parents, said Lou Mawby, manager of the Chi Chi.

Further instructions prior to the first night's selection, May 27, will be announced in The Desert Sun.

Already arranged is a three-day vacation paid trip to Catalina Island for two. Arrangements for food and lodging have been made with Eddie Davidson, general manager of St. Catherine hotel.

Negotiations are now under-

School Election Friday to Name Board Member

Voters of the Palm Springs Unified School district will go to the polls tomorrow in three communities to elect one member of the board of trustees.

Two candidates are seeking the one place on the board. The term of Ray M. Sorum expires. He is a candidate for re-election.

Wilbur Lee Brubaker of Rancho Mirage will oppose him.

Three polling places are provided for the election.

One is at Frances S. Stevens school in Palm Springs for voters of all of the city's 15 precincts and of Thousand Palms.

Another is at Desert Hot Springs school for voters of that city's and Garnet precincts.

The third is at Cathedral City school for voters of the Cathedral City precincts, Indian Wells, Date and Cahulla precincts.

Rolls open at 7 a.m. and close at 7 p.m.

As the election takes in the entire school district from Desert Hot Springs to Palm Desert and as all school districts in the area are also holding elections, tomorrow will be a "dry day" on the desert. Under the state law no liquor may be sold during the time the polls are open.

Abandoned Cars on Reservation to be Removed

All abandoned cars on the reservation are to be hauled away in the near future, unless claimed by the owners.

This policy was voted Tuesday by the Agua Caliente Tribal Council, and negotiations have already started with a commercial firm for removal of the cars.

Owners of the abandoned cars must claim them before they are removed, the council said.

Playing Safe

Artillery Shell Held for Expert

Not taking any chances! Police received a report of the finding of an artillery shell, and immediately took it to their firing range pending examination by an ordnance expert.

F. J. Brown, 226 North El Segundo, told officers that his son had brought the shell home from a vacant lot east of their residence.

The shell is believed to be a 155mm. projectile.

Council Must Call Election on Proposal

State Court Ruling Overturns Earlier Decisions in Case

City Attorney Jerry Bunker and city council members are awaiting a transcript of the state supreme court's decision ordering a special election on redistricting before committing the city to any definite action.

The state supreme court handed down a ruling Tuesday upsetting two earlier decisions on realignment of council districts in Palm Springs.

THEY UPHELD the appeal of Attorney Leonard Bock, reversing both the county superior court and the district court of appeals which had ruled in favor of the city. The opinion was on a 5 to 2 vote.

Bock had been denied a court order to force the election in superior court. He appealed to the appellate court and was again the loser. But the state supreme court reversed both of the lower courts.

THE REQUEST for an election to reapportion council district was made to council upon presentation of a petition containing approximately 500 names about two years ago. When council refused to act on the petition, five Villagers, Fritz Blotter, Sal Alessandro, Don Seiler, Joe Palozzi and Fred Swendenhelm, engaged Bock to take the case to court.

The petitioners contended that the population of Palm Springs had shifted greatly since the districts were first formed and that some now had slightly more than 100 voters and others in excess of 1000.

CITY COUNCIL contended that it could not call an election to change the districts because they had been established by the state legislature.

Former City Attorney Roy Colegate who was involved in the first actions and who was retained because of this to aid in later court proceedings, will meet with Bunker and the council when the supreme court's ruling is received.

Further action will be planned then.

Action Started to Remove 17 Unsafe Houses

Termination of electrical service to 23 structures on Section 14, and starting of abatement proceedings against 17 of them, effective June 1, was authorized by council Tuesday evening because of health and safety reasons.

City Manager R. W. Peterson reported that many of these were serviced by one meter, with 17 alone on a single unit.

Five of the structures are buildings and 18 trailers. He said that two dwellings could be brought up to reasonable city health and safety standards, as could four trailers which had non-conforming rights of occupancy of an unauthorized area.

Real Estate Board to Meet on Monday

Palm Springs Real Estate board will meet Monday at 8 p.m. at the American Legion hall, newly-elected president, James Hammond, said Tuesday.

Board of directors of the association will meet the same day at 4:30 p.m. at the Hammond office, 875 North Palm Canyon drive.

MOUNTED POLICE WIN HONORS AT LAS VEGAS

Palm Springs Mounted Police came home Sunday from Las Vegas with one of the outstanding parade awards presented in that city's annual Hellsboro celebration.

The group of 22 riders, participating in Thursday's Old Timer's parade, was awarded third place in its classification against top competition. They will receive their trophy in the near future.

First place was won by the Ute Rangers of Salt Lake City, and second by the famed Arcadia Mounted Police group.

The Palm Springs unit, many of them accompanied by their wives for the four-day stay at El Rancho Vegas, attended the rodeo there, saw most of the shows at the Vegas night clubs, and were guests one evening of the Las Vegas Mounted Police at a cocktail party and dinner.

The group distributed gifts of dates at this party, and also prior to the parade Thursday.

PRESIDENT EISENHOWER INVITED TO RETURN TO PALM SPRINGS AREA

President Eisenhower this week was given an official invitation for another visit to Palm Springs when Congressman John Phillips of Banning called at the White House.

The congressman told the president his district had been extremely proud to be his host last January and that the larch

HE KNOWS THAT CLASSIFIED PAY

Just like Grand Central station.

That's the way Harry Peale, 1121 North Sunrise Way, described the situation after he placed a classified advertisement in The Desert Sun, advertising a house for rent.

In a short time he had 35 inquiries and the place is rented on a year's lease. "The classified, certainly got results," he commented.

string will always be out for a return visit.

Phillips said the president laughed heartily when he voiced the belief that he could have obtained from newsmen and photographers complete agreement on the invitation to the desert.

"I'm sure they would like to return to the desert and take another dip in the El Mirador pool," the congressman told Ike.

President Eisenhower was a guest of Paul Hoffman on a Winter golfing trip that encountered the perfect desert weather.

Phillips was at the White House with other California congressmen to assure the president of their continued support of his progressive program. The Riverside county lawmaker has been one of the foremost backers of the Eisenhower program in congress where he is chairman of an important sub-com-

RENEW APPEAL FOR BLOOD DONATIONS

Palm Springs Business Women's club reiterated its appeal for blood donors for a leukemia victim who needs two pints weekly.

A special appeal was sounded by Miss Estella Schiller, president, for donations in the name of the club. She reminded Villagers that the Two-County Blood Bank will be at Desert hospital next Monday and urged donations.

WHERE VILLAGERS MEET IN SUMMER — The pier and breakwater with Mt. Tallac in the distance at Lake Tahoe, Summer vacationland for many Villagers and Winter residents of Palm Springs. The view shows the Zephyr Point conference grounds on the Nevada shore of the beautiful lake. Photograph printed by special permission from Frasher's, Inc. of Pomona, Calif.

LAKE TAHOE SUMMER VACATION PLACE WHERE VISITORS MEET

Here's advice for those of you who are nostalgically inclined for the sound of a familiar voice, the sight of the face of a neighbor or friend about this time of the year and during the long Summer months ahead. Go to Lake Tahoe. Take the entire family there! Your nostalgia will be washed away and you can bet your last nickel against a stale doughnut that John, Mary or the family next door with all of their kids will either greet you or perhaps you will be saying "hello" to them.

THE CHANGE from the lowlands of the desert to the lofty heights of Lake Tahoe in the Sierra mountains with its cedar and pine-scented atmosphere covers two of the most fabulous vacationlands in the nation. The lake, with a 100-mile shore line, stretches through two states, California and Nevada, with famed resorts located in both states.

In those night clubs, restaurants, hotels and the beautiful casinos (they are located on the Nevada side) you may be served dinner by your favorite Palm Springs waiter; the mixologist behind the bar will be one you have known in the clubs and night spots on the desert and the same chefs will, without a doubt, prepare your dinner.

MOST IMPORTANT, many of these places you will visit are owned by Villagers whom you may know personally or have heard about during your winter vacation in Palm Springs and its resort area.

C. C. (Buck) Harris, George Zouganilles and Jimmy Hume, desert dwellers for many years and owners of extensive properties here, are also the owners of the North Shore Club at Crystal Bay on the Nevada side. The casino in the North Shore club is a familiar haunt of many Villagers and the hospi-

talities there in addition to the entertainment is highly acclaimed. You will not be a stranger at the North Shore club.

CHARLES RESNIC, co-owner of the La Paz Guest Ranch here is also the co-owner of the Cal-Neva casino, the Cal-Neva Lodge and the Cal-Neva Biltmore hotel. The tall Resnic is a familiar sight in the Palm Springs resort area both on the golf links, in night clubs and at social events. He is an ardent golfer.

The hotels and the casino at Cal-Neva is known throughout the nation and there, too, many Villagers spend the Summer months.

The Kehlet family operate Meeks Bay resort on the California side of the lake. This spa boasts of a quarter mile of white-sand beach frontage and is a popular rendezvous of many who spend the Summer at Tahoe.

MECKS BAY RESORT was first founded by George Kehlet in 1921 and since that time its popularity from year to year has resulted in a tremendous expansion to a point where today there are 132 buildings.

According to Fred Kehlet, Village home owner and who, by the way, has his home situated right next door to his father on South Calle Rolph, said that Meeks Bay, both Summer and Winter is a little city of its own.

Kehlet, World War II veteran, the father of two children who attend school in Palm Springs, said that Meeks Bay Resort is able to accommodate 1500 per-

sons daily. The operation of this resort is such that it caters to those with a limited vacation budget or on up to luxury accommodations. At this spa there will be found a general merchandise store, dining room, luncheon and fountain grill. There are housekeeping accommodations for rent as well.

"I FIND THAT there is no place like Palm Springs in the Winter time for the entire family and there is no equal anywhere to compare with the desert area in which to rear our children. But during the Summer months, the same is equally true for Lake Tahoe on both the California and Nevada sides," he said.

The finest food obtainable is served to patrons and vacationers on both sides of the Lake with most of the provisions sent there by the Desert Provision company of Banning.

Jack Freeman, president Ben Ziesel, vice-president and Al Abden-nur, secretary and treasurer of the Desert Provision company, supply nearly all of the restaurants, cafes, night clubs and hotels with provisions and tenderized meats in the Palm Springs resort area. The same is true of neighboring resort areas and particularly true of the many similar places located around Lake Tahoe.

Eugene's Chalet at Crystal Bay, Nevada, is highly recommended as a charming place at which to guest during the Summer months.

Lake Tahoe is figuratively Palm Springs transplanted during the Summer months. Villagers will be saying "hello" to each other without a doubt.

Connie, Grace at North Shore Club in Summer

Connie Barbeau and Grace Frankel who charmed audiences in the Dunes throughout the Winter season will entertain at the North Shore Club, Crystal Bay, Lake Tahoe this Summer. It was just learned.

Connie, whose husband Ruby operates the Dunes, is nationally known through praise accorded by patrons of the popular Village night spot. This season Grace Frankel made her second appearance for the season at the Dunes and accompanied Connie with her versatile piano. She also sang duets with Connie.

The North Shore club is an entirely new engagement for Connie. She has appeared there during the last three Summer seasons where she greets many Winter residents of Palm Springs and Villagers on vacation.

Duffey Points to 7-Year Record in Vote Contest

Fred E. Duffey, constable for Palm Springs Township and later, Palm Springs Judicial district for the past seven years, this week started action in his campaign for re-election at the June 8 primaries.

Duffey was appointed to the post in 1947 when the area was still known as Palm Springs township. He was re-elected without opposition for a second term in 1950.

SINCE THAT TIME the original township was expanded from approximately 100 square miles to the present judicial district which embraces 512 square miles.

He said that when he took office receipts in fees were low and there was little activity. Today, he said, the district does business which is only a little more than \$300 in volume under the Riverside county seat district which includes a deputy and a clerk as well as constable to handle the clerical work which he does almost by himself here.

HIS DISTRICT includes the area from Desert Hot Springs to Palm Desert and takes in the area between including Thousand Palms.

Duffey said his office works in close cooperation with that of Judge E. E. Theriault of the Judicial district, and the clerk of the court.

Duffey is married and has been a resident of Palm Springs for ten years.

CANDIDATE — Fred Duffey, candidate for re-election as constable of Palm Springs Judicial district.

Davidson to Manage St. Catherine Hotel

Eddie Davidson, manager of Rossmore hotel, has an additional job to do this Summer—general manager of the well known St. Catherine hotel on Catalina hotel.

Davidson said he will keep a finger on the operation of the Rossmore hotel here and will also commute to the Village several times monthly during the Summer months.

Councilman McKinney and Constituents Hold Parley

Fourteen voters in Councilman District No. 1 accepted Ted McKinney's invitation Tuesday noon to join him at a luncheon discussion meeting dealing with problems currently before the city.

Among the items discussed were a municipal golf course, an increase in the city's contribution to the Chamber of Commerce for publicity purposes, a municipal swimming pool, and clearing of debris from Section 14.

McKinney told the group that he would carefully consider their opinions in making his decision on matters before council, and added that the next meeting probably will be held within two months.

Attending the luncheon meeting at Town and Country were Ray Corliss, Merritt Williams, Dave Dunsworth, John Ravese, S. S. "Dinty" Moore, Rose McKinney, O. S. McKinney, Mrs. Mary Lou Alchian, Art Bailey, Fred Weigel, Culver Parker, Warren Slaughter and Dr. Charles Baldwin.

Byron A. Cain Home Acquired by Albert Balshe

The Byron A. Cain home at 486 South Patencio road has been exchanged for the former James A. Porter estate on Lake Michigan at Winnetka, Illinois.

Mr. and Mrs. Albert Balshe, former owners of the Winnetka property, will acquire the Patencio road estate in Palm Springs.

Mr. and Mrs. Cain have moved to 466 South Patencio road in the Byron A. Cain Tract and will remain in Palm Springs until school closes. Parties to this exchange were represented by Ray Baur of Harold Hicks office.

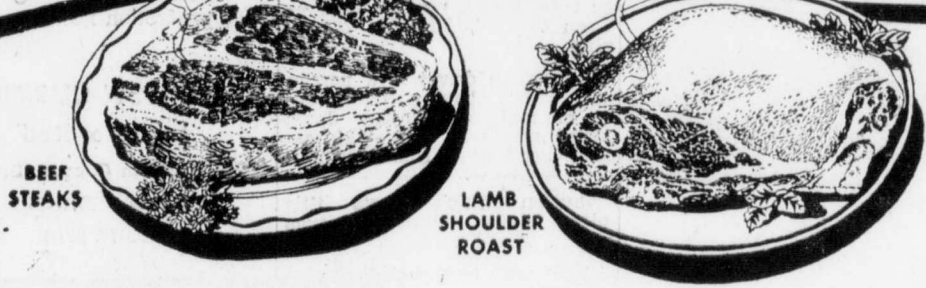

County Savings Bond Sales Show Gains

Tom Holland, in charge of U.S. Savings bond activities in Palm Springs, said Monday that reports from the treasury department indicated that Riverside county achieved its "second best" January-April record in Savings Bond purchases this year.

RE-ELECT A MAN WITH A NOTABLE RECORD IN OFFICE

JOHN PHILLIPS

CONGRESSMAN

29th District

EXPERIENCE — Ten years assemblyman and Senator from Riverside County; representative in Congress since 1942. Re-elected six times with overwhelming majorities. **AGRICULTURE** — One of the nation's outstanding spokesmen for agriculture. Has sponsored major farm legislation. Works day to day to solve farmers' problems at Washington. Has united support of farmers of both parties.

VETERANS — Member 28 years American Legion post at Banning. Also member Disabled American Veterans. Has sought to improve service to veterans in government hospitals of Veterans Administration whose budget his committee supervises.

EISENHOWER — Friend and supporter of President Eisenhower. Voting record on Ike's program one of the best in Congress. Has given president personal pledge of continued support on whole progressive program. **WATER** — Recognized as one of California's foremost authorities on water problems in general and Colorado River in particular. Has led a tireless fight on Fallbrook issue. Knows water is life blood of his district and is in the forefront of every water issue.

ATOMIC POWER — Holds responsible position as chairman of committee that has arranged budget financing of H-bomb and atomic experiments.

COMMUNISM — Life-long, unyielding foe of Communism—has fought to expose and run reds from government.

DO YOURSELF AND YOUR DISTRICT A GREAT SERVICE

The PUBLISHER'S Corner

by OLIVER B. JAYNES

COMMUNITY DISUNITY — There need be no concern about the differences of opinion among various groups in Palm Springs so long as fairness and sincerity prevail. To the contrary such differences of opinion indicate a natural and healthy condition. More dangerous by far would be an attitude of indifference toward civic affairs.

We should not, then, look upon the views and criticisms of various groups and individuals as evidence of community disunity. There are bound to be conflicting opinions on internal affairs. They occur in every town and city. They bring to light defections in the conduct of municipal affairs — help correct conditions that are not working for the common good.

Whether differences of opinion are good or bad for a community depends entirely on whether or not criticism is based on GOOD FAITH. If selfishness or prejudice is the motive behind criticism of others it is a destructive force in the community and does untold harm. It is in such soil that disunity and bad feeling grows.

Let us bear in mind that it is easy to criticize — that everybody makes honest mistakes now and then — that there are so many things on which we all agree. Let us stop to consider how fortunate we are to be living in America — and PALM SPRINGS!

VOTE TOMORROW — It is highly important that more people vote at school board elections. There is all too little interest in this highly important board which spends something like a million dollars a year of your tax money. Failure to vote at ANY election is a bad practice; indeed it is even dangerous. Apathy on the part of citizens toward governmental affairs at all levels is a weakness of our democratic form of government. We take our freedom too much for granted. Failure to exercise the right to vote is a step in the direction of losing that right.

Remember this tomorrow. It will take such a few minutes of your time to fulfill this obligation and exercise this precious right of American citizenship. Have a hand in the selection of your school board member.

Don't forget to vote at the School Board Election Friday!

Sun Classified Bring Quick Results

Dennis, the Menace By Ketcham

"READIN' HER THE FUNNIES?"

THIS SIDE OF THE SUN

By Phat

Jack and Jill they closed their store,
To take three months vacation.
Plastered up their window front,
To everyone's vexation.

I don't know who to thank for that one. It was on my desk when I arrived on the job yesterday morning. And who am I to look a gift horse in the mouth? But whoever submitted that, may take my seat anytime. I am in need of a rest.

TWO BRIGHT SPOTS started the day out for me nicely, too. First of all, Mrs. Louise McCarn, city clerk, called when my watch was pointing to 6:44 a.m. (Of course, I must note that I didn't change it on April 25, I'm still on standard time.) She wanted to know if I had heard about the man named Riley who joined the army to live the life of Schine. The other remark was by Hildy Crawford of "Around Town" fame. Frank Bogert was in and the conversation was wrapped around the chances of obtaining a race track permit for Palm Springs. Bogert said he believed the quarter horse track had a fair chance. So Hildy ups with "Well, a quarter horse is better than none."

MONDAY APPEARS to be the day of decision. The state horse racing board will meet that day to consider briefs by the Palm Springs Turf Club for thoroughbred racing and by the Desert Turf club for quarter horse racing. While a final decision is not absolutely certain, it is expected that the rulings will be made that day and we'll know whether our visitors, also some Villagers, will be able to chuck it in to improve the breed here or have to wait for Hollypark, Santa Anita or Del Mar to say: "Now, if I do..."

SPEAKING OF quadrupeds, reminds me, Sam Arner, Cathedral City realtor, is extremely irked with me. Seems that I spoiled a story of his. In a letter to The Sun he remarked about "political asses" and, in a moment of inadvertency, I changed it to "political donkeys". While admitting that biologically, there was no difference, he maintains that I ruined his reputation as a raconteur. Went so far as to intimate that I was one myself without the benefit of the "political." He

demand a correction. Well, here it is and the next time I go through Cathedral City, I'll go by way of Thousand Palms. At least, Harry Oliver likes me. And that rings in another quadruped, "Hopalong Pushadee", Oliver's pet tortoise which wandered away but finally came home. Harry said the tortoise came back because it is fond of broccoli and he, Harry, is the only one who knows it.

BILL FADDEN complains that the McCarthy-Army brawl was interesting the first time it came on TV but doesn't see why they have to make a Television Serial out of it... And you can blame Fred Weigel for this one. After talking with Postmaster Merritt Williams and learning that the latter had just hung his framed commission on the wall, Weigel commented: "Now we have the merit system at the post office." I think it does, too... Tomorrow we really have a dry day. During the city election, only those districts which were electing councilmen were arid. In the others, those so inclined, could bend an elbow. But tomorrow every school district is having an election and as there isn't a part of the area that's not in the school district, all of the boys who mix them have their second extra day off this year.

HAD A HUDDLE with Dale Hines of the FSP the other day. And now it's all settled except giving him the check. I'll be ready to rattle and roll in ten days. That "rattle and roll" is only speaking figuratively. Mr. Hines, I know the Golden State doesn't rattle and it doesn't roll any way but forward, smoothly. They say June 21 is the longest day of the year. But the next ten are going to seem much longer... And it seems I must give Hildy Crawford double billing today. Just learned that it wasn't Ben Franklin who slipped that con-

Voters Urged to be Sure to Get Absentee Ballots

Campaign chairmen for the various candidates whose names will appear on the June 8 primary ballot, again this week reminded Villagers who will be away from their homes on election day to send in their applications for absentee ballots.

The application should list the home address, precinct number and be signed as the voter signed his registration affidavit.

The applications must be sent to the county clerk's office in Riverside. The local city clerk's office cannot supply them.

Ballots will be mailed in plenty of time for voting on or before election day.

Elsinore Trips Indians 7 to 3 in Fast Ball Game

Palm Springs high school baseball team was still in second place in Riverside County League baseball standings but practically had lost all chance of sharing in league honors this year.

The Indians hosted Elsinore high in a league game here Tuesday and took a 7 to 3 beating.

Ken Price, Indian pitcher who pitched two straight shut-outs in previous games, was touched for 11 hits by Elsinore, one of them the longest three-bagger by a prep batter ever recorded at the Polo Grounds.

Palm Springs bats were still led by Larry Collins of Elsinore and they registered only five hits. They had plenty of men on the bases but could not get the hits when they were needed. Elsinore barged ahead in the second and were never headed. The line score:

Elsinore..... 013 102 0—7 11 3
Palm Springs. 000 021 0—3 5 3
Collins and Young; Price and Reyes.

Council Tables Drag Race Plan

Council Tuesday evening by a vote of four to two tabled the granting of the use of the east end of the airport to the Drag or Sports Car Race Association for a drag race on Saturday and Sunday, June 5 and 6.

Councilman Ted McKinney sought to have the proposal brought to a decision, moving that the request be granted. The motion was seconded by Jerry Nathanson, and then it was moved that it be tabled by Earle Strebe. Councilmen Frank Miller and Ruth Hardy and Mayor Florian Boyd supported this move.

McKinney attempted to bring the matter up again at the close of the meeting, but his move was defeated, four to two.

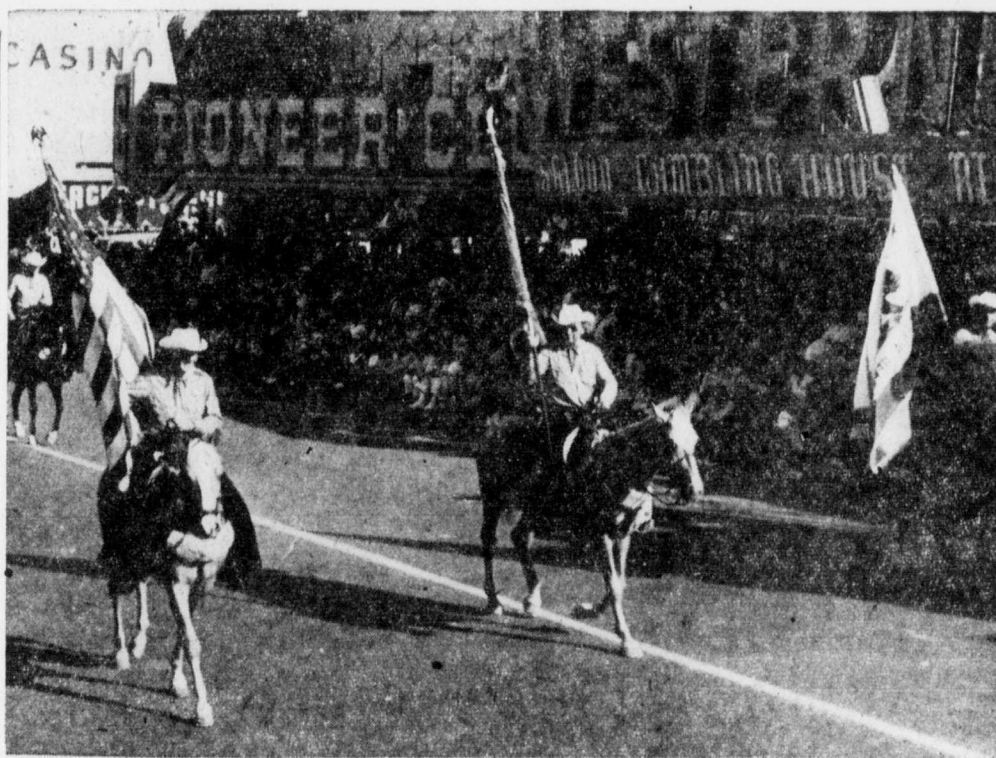

The association proposed conducting a race once a month, to which members from all cities would be invited.

Strebe said that the drag race would create unnecessary disturbance, in explaining his tabling action. Mrs. Hardy added that the cars would not only be at the airport strip, but also racing throughout the streets.

Two Tourneys this Weekend on O'Donnell Links

Eighty employees of Arden Farms will tee off Saturday at O'Donnell golf course in their annual golf tournament and on Sunday, the annual tournament of the California Water and Power company will be held at O'Donnell's.

Both tournaments will be over the 18-hole route with prizes going for medal play.

(Desert Sea News Bureau Photo)

WIN LAS VEGAS TROPHY—The Palm Springs Mounted Police were awarded third place in their classification at the Old Timer's parade in Las Vegas, Nevada, Thursday. More than 35,000 spectators witnessed the colorful parade which is part of the town's annual Hellsboro celebration.

Recreation Program for Summer Given Approval

Annual Summer recreational program sponsored by the Palm Springs Unified School District and the swimming program co-sponsored by the schools and city, were approved by the district's board of trustees Tuesday evening.

The recreational program for children aged five through 12 will be held at the Frances Stevens and Cahulla schools Monday through Friday from 9 a.m. to 12 noon. It will run from June 1 through August 31.

Total cost will be \$2,468, with the board deciding on the same wage scale as last year. Attendance in 1953 had a daily average of 25.7 children

at Cahulla school, and 34.2 at Frances Stevens school. This will be the fifth Summer it has been in operation.

The swimming program will also be conducted from June 1 to August 31, with the city and schools sharing the net cost of \$2,680. Income expected this year is \$1,300 from a charge of 10 cents for children 12 and under, 25 cents for ages 13 through 18, and 50 cents for those over 18.

Salaries are to remain the same this year, the board decided.

The program is conducted at the high school pool.

First Exhibition Softball Game of Season Saturday

First exhibition softball game of the 1954 season will be this Saturday night, with the Desert All Stars playing the Santa Ana All Stars at the Polo Grounds, starting at 8 p.m.

The Santa Ana pitcher was named the outstanding player in Orange county last season.

The public is invited. Admission is free.

This is the first of a series of exhibition tilts being arranged by Howard Haddock, city recreation director.

Developments at Shangri-La Palms Continue

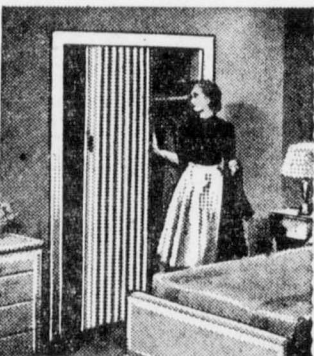

More and more business people are discovering that Shangri-La Palms is a relaxing and peaceful place to live, according to Matt Simmons, co-developer of the estate.

Even when permanent residence is not possible, busy executives enjoy using their desert homes as weekend retreats. The wonderful climate, with extra sunshine all year round, freedom from noise and hustle, modern facilities... including a luxury community swimming pool, are just a few of the tangibles that make Shangri-La Palms so desirable, he added.

The latest residents to take possession are Mr. and Mrs. Ben Wohlstaetter, of Hollywood. Wohlstaetter is a prominent insurance broker with offices on Sunset Strip. He will be a weekend commuter to Shangri-La Palms.

Offices of Maritout Desert Homes company, exclusive sales agents, are located at 6912 Hollywood Boulevard. Hollywood Model Homes are open for inspection at Shangri-La Palms every day, including Sundays.

Bigger Bedrooms Now Popularly Priced!

with **SPACEMASTER**
folding doors

You don't have to remodel to enlarge your bedroom. No partitions need come down. Just put "Spacemaster" doors on your closets or entry doors—and you pick up all the space that swinging doors waste. "Spacemaster" doors fold within the doorway, never out into the room. You can put beds, nightstands, lamps closer to closets... and still have plenty of room to move in.

First cost of "Spacemaster" is at a new low. Maintenance costs are nil. You clean them with soap and water. And there are no installation costs since you can put them up yourself in 15 minutes.

See "Spacemaster," made by the makers of famous "Modernfold" doors, today.

Safety Program for Young Hunters Planned by CV Rifle, Pistol Club

Coachella Valley Rifle and Pistol club is sponsoring a National Rifle Association Hunter Safety Course for young hunters.

Instruction in marksmanship and the safe handling of firearms has been a prominent activity of the N.R.A. for over 30 years, but it has been only the last five years that different states have required young hunters who had not previously been issued a hunting license receive instruction in the safe handling of firearms before being issued their first hunting license.

California along with several states has adopted this N.R.A. course recently and it is now a state law that young hunters must receive at least four hours of instruction on the safe handling of firearms and to pass a test at the completion of the course before they can obtain a license to hunt in the state.

Purpose of the course is to give the knowledge and encourage the care that can avoid gun accidents; to give instruction in proper gun handling and hunters' responsibility.

The instruction and testing is done on a voluntary basis by N.R.A. instructors who have themselves passed an examination. There are several in the local club.

Prospective young hunters wishing to obtain a hunting license this fall should contact the C. V. Rifle and Pistol club secretary, M. E. Cameron, 840 Evelita avenue, or phone 3829 for an appointment.

Capacity Crowd at Annual "Fry"

Annual Fish Fry sponsored by the Volunteer Firemen again attracted a capacity crowd Saturday night, with a few villagers having to be turned away from the O'Donnell Golf Club site.

Following the dinner, the group gathered for informal visiting and entertainment.

Harold Smith, organization captain, expressed his appreciation to all persons who aided in making the event successful. Proceeds from the Fish Fry go to a charity selected by the group.

JAYCEE BOARD TO MEET

Board of directors of Palm Springs Junior Chamber of Commerce will meet this evening at 8 o'clock at the Chamber of Commerce.

HIT-RUN DAMAGE

Hit-and-run property damage of \$40 to a sandstone flower box in her yard at 279 South Indian avenue was reported to police Tuesday by Bessie Goldberg.

Tamarisk Club Denies Report Ben Hogan Out

Tamarisk Country Club officials this week branded as completely false reports by metropolitan papers and a state magazine that Pro Ben Hogan has definitely decided not to return next season.

Avery Allen, acting as spokesman, described as "completely incorrect statements that Ben, at this time, has or has not decided to return to Tamarisk."

The decision has not been reached yet, Allen said, and will not be until Hogan, M. O. Anderson, club president, and possibly other club officials meet for a fishing trip in the Pacific Northwest in August.

He pointed out that Hogan

Changes Asked in Zoning Plans East of Village

Supervisors Monday requested county planning commission to make a further study of the proposed zoning plan for the area east of Palm Springs, extending from Cathedral City to Palm Desert.

The plan had been sent to the county board by the planners with a "do pass" recommendation but supervisors, after a public hearing and later protests, asked for further study as they said some land owners felt changes should be made.

Supervisor Homer Varner, in whose district the affected land lies, said that the requests for changes were "reasonable."

At a recent meeting of land owners along Highway 111, supervisors were asked to delay the plan for additional study.

Among changes asked is commercial zoning for land along Highway 111 between Palm Springs city limits and

Highway Engineer Defends Cabazon By-Pass Proposal

County supervisors Monday dropped their plan to protest the Cabazon by-pass proposal and formally notified the state highway commission that no hearing would be asked.

Last week supervisors protested the plan but after Highway Engineer C. V. Kane explained the program, they voted this week to drop the action.

The state highway commission has no intention of bypassing Cabazon immediately but wants to buy the rights of way now before costs go up.

C. V. Kane, district highway engineer, told a meeting at Cabazon last weekend. The proposed by-pass was protested by Cabazon residents and the Coachella Valley Advisory Planning committee which held that there were more important projects needed in the

desert area since there was already a four-lane divided highway at Cabazon.

KANE APPEARED before a protest meeting at Cabazon Saturday night. He made public a letter he had written the CVAPC following their action in opposing the by-pass until "more necessary projects in Coachella Valley have been completed." Mentioned in the CVAPC protest was the urgent need for a wider bridge across Tahquitz creek on Palm Canyon drive which is a state highway.

Kane's letter to the planning committee, a powerful Coachella Valley-wide civic group, said he agrees with its findings that there are more hazardous stretches of highway which need improving first.

He said there's no reason to believe that construction of the freeway is imminent.

EARLY ADOPTION of the freeway routing "is definitely in the public interest," however, Kane said.

"This section of highway carries the route designation of three important interstate highways—U.S. 60, U.S. 70 and U.S. 99," Kane's letter said. "It is obvious that a freeway must extend through the Cabazon area."

"The land is presently undeveloped, and right of way could be acquired now at a considerable saving of public funds."

"THE FUNDS USED for such purposes would not be taken from those available for other construction projects. It is expected that the relatively minor right of way funds necessary can be set up from the revolving fund which has been made available for the purchase of undeveloped land."

"The fund will then be repaid

Schools to Open on September 8 Close on May 27

Palm Springs Unified School District schools will start their 1954-55 term on September 8 and close on May 27, Dr. Arthur G. Hoff, superintendent, announced this week.

The school calendar provides for 175 teaching days.

Holidays set for next term are: September 6 and 7 (schools starting September 8), November 25 and 26, December 23 through January 2, February 22, April 6 through 8.

The year is divided into four quarters, September 6-November 5, November 8-January 21, January 24-March 25, March 28-May 27.

When the right of way is made use of by freeway construction," Kane said he believes designation of the proposed freeway route now "will serve the purposes of cooperating with local authorities and land owners by coordinating future land development" in the Cabazon area.

From Page 1—MORE ABOUT SCHOOLS

public meeting," Nichols said.

The board agreed to hear him following the completion of its agenda, and prior to its executive meeting.

Nichols asked for the establishment of sixth grade neighborhood schools throughout the city where needed. Terming it the "essence of the educational principle," he requested that Katherine Finch and Frances Stevens schools be so designated as of September, 1954.

Petitions are still circulating, he said, and additional names will be presented at the next regular meeting of the board June 17.

POSSIBLE FUTURE SCHOOL sites were discussed by the board, with Dr. Arthur G. Hoff, schools superintendent, telling the trustees that the Section 19 site below the airport was discouraged by the State Aeronautical Authority because of noise and the distracting influence of planes to children.

Other sites mentioned were in Sections 14 and 26, with more detailed discussion deferred until the June meeting.

Business Manager Paul Summers reported on work progress at the Nellie Coffman school, saying that contractors have leveled the area for the two classrooms and have placed concrete footings there. Progress completion is three per cent, he said.

The Desert Sun—60 and PALM SPRINGS NEWS PALM SPRINGS, CALIFORNIA Thursday, May 20, 1954

New T-Hanger for Airport is Given City O.K.

Council Tuesday evening approved the request of Mac Haskell, co-lessee of the airport, for construction of a new T-hanger there.

Haskell pointed out that the hanger now being used is lacking proper outside covering, which permits the wind to endanger planes stored there.

The airport lessees will pay for the construction of the hanger, with the cost to be deducted from the monthly rent due the city.

Trailer Permit Given Approval

Application for a zoning permit for a trailer park on the south side of Highway 111 about three-eighths of a mile west of Cathedral City was approved by the county planning commission last week.

Donald E. Kramer of Whittier, applicant for the permit, said the park would accommodate 50 trailers at first and that space for 40 would be added later.

The proposed trailer park is across Highway 111 from the Sun Air Drive-In theater.

Plan Expansion of Palm Desert Water Company

According to an announcement made this week Clifford W. Henderson, founder-president of the Palm Desert corporation, a capital outlay of \$50,000 was recently authorized by the Palm Desert Water company board of directors for substantial expansion of the pumping and distribution facilities of the Palm Desert water company.

More than 60 per cent of this program is now completed. Already a large 150,000 gallon reservoir has been procured and will soon be in operation to provide facilities nearly tripling the existing water storage and distribution capacity.

A new 16 inch well has been drilled at a location that is now providing ample water and pressure to all parts of now subdivided Palm Desert area now consisting of nearly 300 homes. These additions to the system, as well as all the pipelines, valves and other facilities are being installed in a manner that will not interfere in the least with the scenic beauty of Palm Desert's vacationland, according to Henderson.

LONG BEACH?

You'll Save Money by staying at the newly-completed Five-Three Apts. near the ocean and Alamitos Bay in the smog free Belmont Shore area. Kitchen Automatic Laundry, Week Month. Reservations Only. Write for Folder H. P.O. Box 3621, Long Beach 3.

Dr. Smith Plans Active Summer of Improvements

Dr. Clarence E. Smith, director of the Desert Museum has outlined an active program of improvements during the summer months when the institution is closed.

He said that he hopes to accomplish: Painting and general renovating of main room.

Painting of library.

Installation of six new exhibits in cases.

Reinstallation of "San Jacinto life zones" chart.

Three new illustrated panels. New Kodachrome slide view.

Model Cahulla dwelling scene in patio.

Several small Dioramas. Trails marked, and identifying stakes and pamphlet for Sanctuary.

He also said that there are several items needed at the Museum and if anyone cares to contribute or loan the following, it will be most welcome:

1. Exhibit cases (21)
2. Sheet of frosted glass (24" x 36")
3. Sheet of clear glass (24" x 36")

The Museum will be closed to the general public from May 31 to October 15 but will be open to visits from members from 10 a.m. to 5 p.m. Mondays through Fridays except during August.

Special programs may be arranged by contacting Director Smith during the summer.

THE HOME OWNERS LEAGUE

What It Is and Why!

On January 27, 1954 this Palm Springs Home Owners League had approximately 100 paid members. They are supposed to be representative of home owners.

However

There are more than 1750 homes within the city limits of Palm Springs!

OBVIOUSLY THEN THIS IS A MINORITY GROUP OPERATING UNDER THE IMPOSING TITLE OF THE PALM SPRINGS HOME OWNERS LEAGUE WITH THE OBJECT OF IMPRESSING THE VOTERS OF THIS FINE COMMUNITY

What are the aims of the League?

Merely, as aforementioned, to influence elections by endorsing candidates.

What should the League do?

Inform the public as to the number of their PAID and ACTIVE MEMBERS who vote in Palm Springs and how many of them elsewhere!

What the League didn't do in the pending school board election

Did not give each candidate for the School Board an equal opportunity to present their respective qualifications.

Gave it's endorsement to one candidate without a fair hearing for that candidate's opponent.

VOTERS -- DON'T BE MISLED

BE FAIR -- BE AMERICAN

Helen Hester is Visitor Here in Vote Campaign

Helen Hester of Coachella, candidate for supervisor from the fourth district of Riverside county, was a visitor in Palm Springs last week in the interests of her campaign, calling on local voters.

The election will be held June 8.

She has had much experience in governmental affairs and is a former member of the Indio city council, Coachella Valley health council and was secretary of the Citrus Belt division of the League of California cities.

She has a thorough knowledge of the problems of Riverside county and particularly of those of the desert and pass area which are in the district.

She has the endorsement of many civic leaders throughout the district, the largest and one of the wealthiest in the county.

way with hope for success, to obtain for the winner a screen test at one of the motion picture studios in Hollywood. This test may lead one of the winners into theatrical work with television, radio or on the screen.

The contest is open to all residing in Coachella Valley and is not confined to residents in Palm Springs alone. Neighboring communities may enter a contestant as well.

The cover charge for that night will be two cans of food to be donated to the new Mickey Flint's Boys Ranch on the Palms-to-Pines highway.

'Unloaded' Gun Wounds Youth

An "unloaded gun" caused the shooting of Charles Driskell Saturday afternoon, police reported.

Driskell, his brother, Gary, and another youth were seated on the porch of their home at 292 South Indian avenue, when the gun handled by Gary discharged and the bullet went through the right side of the torso.

The gun was "supposedly empty," the youths said. Charles Driskell was taken to Desert hospital, where a physi-

Plane Crash

Woman Hurt, Two
Men Uninjured

Mrs. Marion Davis of Long Beach was slightly injured and two others escaped unhurt when a private plane turned over while attempting to take off at Desert Air flying strip Sunday.

The plane was damaged to the extent of \$4000.

Larry B. Wolfe of Rancho Mirage was the pilot of the recently-purchased craft. He and Sam Cheek of Long Beach, another passenger, were uninjured.

Driskell reported the wound "not critical."

Rear-End Crash Damages Autos

Damage estimated at \$285 was caused to vehicles driven by Fred Lewis-Simpson, 27, Los Angeles, and George Andrew Burnham, 25, South Gate, in an accident on Palm Canyon drive, near the narrow Tahquitz bridge.

Officers reported that the Simpson vehicle stopped for another vehicle, and Burnham was unable to stop his car in time to avoid crashing into the rear of the car ahead. Both were traveling south.

Accused Knifer to Face Charge

A knife wound which required treatment at Desert hospital led to the arrest Saturday evening of Nerburn Earl Ballard, 25, 468 East Arenas road, on a charge of assault with a deadly weapon.

Holt told police that Ballard was hidden behind a tree, just prior to the slashing incident.

Ballard admitted the allegations when appearing before Judge Eugene Theriault in justice court Monday and was bound over to Superior court.

ASSOCIATED CHAMBERS BACK OVERPASS PLAN

Riverside County Association of Chambers of Commerce, meeting at Deep Well Inn Tuesday noon, voted endorsement of the proposal to carry Indian avenue over the new freeway at Garnet and also voted to ask supervisors to pay \$20,000 toward the cost out of Federal Aid funds.

Supervisor Homer Varner told the gathering that he believed the state would agree to construct the grade separation if the county would agree to pay part of the cost. He said District Highway Engineer C. V. Kane was drawing preliminary plans for the overpass.

VARNER SAID that 10,000 vehicles a day use Highways 60-70-99 which will constitute the new freeway and that 1600 a day use Indian avenue between Palm Springs and the communities to the north.

Bids are scheduled to be opened today on the freeway which is expected to take two years to complete.

The Associated Chambers met here with Palm Springs Chamber of Commerce as host.

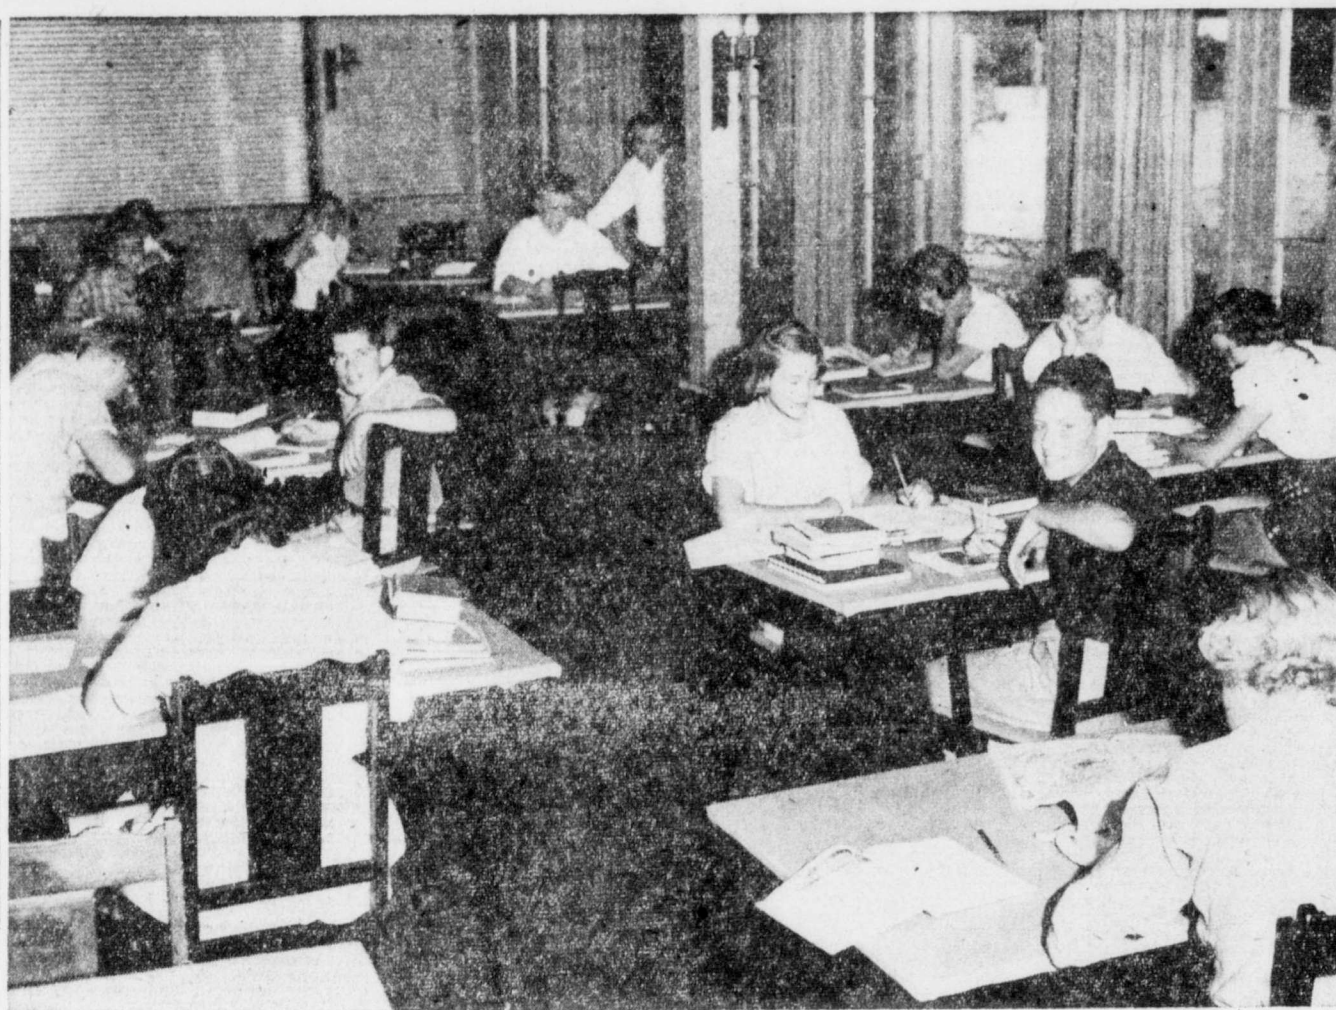

President Harry Paisley of the Chamber presided. Earl Hough, local Chamber representative with the Association, introduced Dr. C. E. Smith, Desert Museum director, who was the speaker of the day. There were 45 guests at the luncheon.

PRECEDING the luncheon, the executive board of the Association met with President Clarence Washburn of Indio presiding.

The board deferred action on hiring a secretary-manager, asked the state legislature to continue the one and one-half cent gasoline tax, voted to ask the Civil Aeronautics Board to overrule its examiner who rejected applications for airplane feeder lines for the county and selected Idyllwild as the site for the next meeting July 20.

Bill Dunkerley, secretary-manager, of the local Chamber and Hough were in charge of arrangements for the affair.

STUDY PERIOD — Students at Palm Valley school enjoy their study periods at spacious desks in an atmosphere of informality, with teachers present to give assistance whenever needed.

Palm Valley School Opens Enrollment for Next Term

Enrollments are now being taken for the 1954-55 school year starting October 5. J. Blake Field, owner-director of Palm Valley school, private coeducational day school, announced today.

Students may enroll all Summer, but are requested to do so as soon as possible, in order to assure admittance next year, Field said.

THE SCHOOL, operating this year as a Junior and Senior high school, had an enrollment of 41 students. Starting next Fall, the fifth and sixth grades will start in operation, with an estimated attendance of 15 students.

A new building will be constructed this Summer, to provide classroom and locker facilities for the two new grades, as well as provide a spacious study and assembly hall. It will be of the same ranch type architecture, and connect present school facilities with the main living quarters, thereby completing a U-shape pattern around the attractive lawn and pool area.

EARLY ENROLLMENT is requested, Field said, as the school will continue its policy of small classes, thereby assuring each student of a large amount of individual attention. Teachers, as in the past, will be available at any time for any type of special help to students.

One new teacher, Mrs. Corrine Wilson of Phoenix, Arizona, teacher at the Judson school there for the past 15 years, has been added to the staff, and two more will be added prior to the start of the school term.

The school will conclude its present school term on Wednesday, May 26.

Highway 111 25-Foot Setback Plan is Studied

County planning commission Tuesday ordered preparation of an ordinance applying a 25-foot setback for Highway 111 between Palm Springs and Indio.

Commissioner L. C. Lewis said the program would permit orderly development of the important highway.

The setback will be 65 feet from the centerline of the highway on either side.

Planners decided to call a public hearing on the proposed ordinance before recommending its passage to county supervisors.

A new study hall will be constructed this Summer, along with facilities for the new fifth and sixth grade classes to start October 5. Enrollments for the 1954-55 school term are now being accepted, according to J. Blake Field, owner-director of the school.

Ingram to Speak Before Jaycee

Fred Ingram, manager of the local Bank of America, has been invited by Palm Springs Junior Chamber of Commerce to speak May 27 on "What Sound Money Means to You."

The banker's appearance before the Jaycee is in conjunction with a national program sponsored by major service club organizations to help broaden public understanding on the subject of sound money and today's important role of Savings Bonds.

Tom Holland, chairman of the Palm Springs Savings Bond Activities, will also be present.

BABy GIRL ARRIVED

A baby girl, weighing six pounds nine ounces, was born May 13, at Desert hospital to Mr. and Mrs. John Strough of 1862 South Palm Canyon.

Junior Chamber Kids Day to be Staged Saturday

Palm Springs Junior Chamber of Commerce will hold its annual Kids Day program Saturday, May 22, at 5:30 p.m. at the Desert Inn Mashie Course, it was announced by Herb Esbitt, chairman for the event.

The day's activities will start at 5:30 and will be open to children of all ages. Activities will include many games and races, climaxed by a father and son potato sack race. Gold fish, toy pandas, water pistols, etc. will go to the lucky winners. Hot dogs and soda pop will be available and picnic tables will be set up to accommodate those bringing their own refreshments.

AT RECEPTION — Mrs. John M. King, the former Carylyn Becker, daughter of the Charles Beckers of Springfield, Illinois and Palm Springs, was a charming picture in her wedding gown as she stood in front of the antique mirror in the living room of the Becker's palatial home on Palos Verdes. Of white mousseline de soie with bands of Chantilly lace, the gown was worn over ice blue taffeta, and the blue and white theme was repeated in the entire color scheme for the wedding. Following their honeymoon to San Francisco, the young couple will make their home in Glen Ellyn, Illinois.

(Anderson Photo)

AFTER THEIR VOWS WERE SAID — John and Carylyn Becker King, who were married Saturday afternoon at Our Lady of Solitude Catholic church, are shown with Monsignor John Power, who officiated at the wedding. The bridegroom, son of the John E. Kings of Wheaton, Illinois, is one of the youngest of Illinois legislators.

Page One-B

Palm Springs, California, Thursday, May 20, 1954

Second Section

With Hildy Crawford

Like the carousel that's grinding to a halt... with music faltering and revolutions slowing... the social season is slowing down... The music flares up excitingly for a last party here and there... and as those last few times around seem the sweetest... so the last of the parties achieve an intimacy and a friendliness... unmatched at the height of the more glamorous whirlabout... when the painted, gilded horses surge up and down carrying the gay riders to dizzy heights... It's slowing down... but there are still a few more times around.

May Night's Dream

The garden at the Malouf's Las Palmas home was a May night's dream... for their Sunday night party... A full moon overhead... flowers vining over the garden walls... a flotilla of tiny candles afloat in the lighted pool... and flowers, candlelight and water spray reflected colorfully in the mirror frame back of the fountain...

Host Billy grilled the marvelous steaks... and the guests were seated at candle-light tables on the lanai... with Singing Cowboy Tex Kidwell strolling about singing everyone's favorite tunes...

The party honored their houseguests the Fred Nasons, Wendell Hunts (Peggy was wearing one of her divine new gowns) and the Milton Lewises... Gilliland... the recently returned Oliver and Frankie Jaynes... and the Dan Dunlaps who are off to Honolulu...

It also turned out to be the Dunlaps' 14th wedding anniversary... Among the guests were Bob and Andrea Howard (they're staying here this summer), Florian Boyd, Al and Nellis Hunt, Tom Yaeger... Lee Anderson wearing one of those white Baby Doll dresses with a pink sash, and escorted by Harold Hicks... Tom Theodora and Bud Fleming... Dick and Edith Edwards, the Kenneth Kirks, Marj Pohl, who left the next day for Redlands...

Mari and her father are driving East next week and will be away about six weeks... Billy left Monday on a business trip to Chicago and Indiana... where Mode O'Day is getting ready to open its six hundred and something store... but will be back this evening when they are having a few friends in for cocktails and buffet in the garden... that will honor their houseguests Arthur and Jerry Bergh... and John and Lillian McClure, who are leaving for Honolulu...

This will be a wild duck dinner... Bud and Vie Graves leave this weekend... driving East to Chicago by way of New Mexico... with Vie checking into Wesley Memorial hospital on June 1... and her operation scheduled for the following day... Vie is one of our best-loved villagers... and the prayers and thoughts of a host of friends go with her... with the hope that by next year dancing feet will match her gay and courageous spirit...

A note from Beth Scott from Rancho Santa Fe said... she was going in to Los Angeles to visit friends for a few days, and see "The King and I"... before flying to Honolulu today... Mr. and Mrs. Charles Hamill of Pasadena... were weekend houseguests of the Keith Nusbaums at their home on South Riverside drive... One night last week the Nus-

baums hosted a cocktail party... honoring two old Navy friends, Admiral Mike Moran, USN Retired and Captain Harold Bellingham... who had not seen each other in 25 years... Guests besides the Morans and Bellinghams were... Mr. and Mrs. S. P. Manasse and the Claude Freemans...

Moonlight and Music

Moonlight on the mountains, oleanders and roses in blossom... the enchanting aroma of sizzling steaks... and music... added up to a delightful party at the Ivar L. Boling's Calle de Marcus home Saturday night... Tables were set up poolside... and Johnny Boyle played and sang... with the hostess Jean (who traveled in the Orient with a concert group) joining in with her violin... to add music magic...

Guests included the Lloyd Whaley, Mr. and Mrs. Stewart Weiss, Dr. and Mrs. William McBride... Mrs. Roy Simmons, the Herbert Fosters, the Clifford Fosters of Pasadena, the George Colemans... Mr. and Mrs. Paul Aust, Herbert and Gayle Burns, Mrs. Laurena Heple... Harold Winter, Mrs. M. O. Anderson and Mrs. Howard Anderson...

Good Will Ambassador

El Mirador's Manager Frank Bogert is off to Chicago on June 4... and has a busy summer in prospect... July 4th weekend he will be emceeing the rodeo at Reno... In August he and Janice and the Bogert youngsters will visit Mexico City... returning here in September to get ready for El Mirador's opening on October 22... In between times he will be an ambassador of good will for the hotel and Palm Springs... visiting metropolitan centers across the country with color films of what goes on in America's foremost desert resort... He already has about 20 conventions lined up for next season...

Beverly and Sam Taylor will be here until June 15... when they head north for a fortnight's fishing at Lake O'Dell (that's in Oregon, 80 miles north of Klamath Falls)... Then they are taking a house at Balboa Island... In August, of course, they will go to the Cherry Hills-Dilly in Colorado...

The Gavin Herberts, who are staying at Casa del Sol, entertained at a small barbecue Wednesday night... Among their guests were Doug and Dorothy Bell Kenaston, Jack and Helen Kenaston... the Sam Taylors and Harold Hicks...

The Dunes was a busy spot on Saturday night... Jose Ferrer and his wife Rosemary Clooney (who were staying in a Racquet Club bungalow enjoying the tennis courts and

Housewarming for Linskeys is Big Surprise

A caravan of friends from La Quinta and Indio showed up at the Bob Linskey's home at 931 Paseo Caroleita for a surprise housewarming Sunday evening. Bob is in the advertising department of The Desert Sun and they lived in La Quinta before coming to Palm Springs.

The unexpected guests arrived bringing with them dishes for a buffet supper and an array of gifts which included a brazier, a double chafing dish, a wrought iron clock and a salad bowl set.

Epsilon Sigma Alpha Install This Evening

Pledging has been completed for Zeta Theta Chapter of Epsilon Sigma Alpha and the new sorority will have its installation this evening at the home of Helen Morris at 1048 Calle Marcus, at 8 p.m.

Mrs. Jean W. Keller, national organizer, will act as installing officer for the group which will number between 14 and 20 members.

Cahuilla Installs at Potluck

Mrs. Phillip Zanville was installed as president of the Cahuilla Parent-Teacher Association at the annual potluck dinner held in the school cafeteria Monday night. Mrs. Zanville succeeds Mrs. Sidney O. Noles, who has just concluded two highly successful years in the presidency.

Mrs. Chester Moorten, who has been active in P-TA work in Cahuilla, was selected to act as installing officer, and installed the following new board: Mrs. Zanville, president; Ray Corliss, first vice president; Ed Thomp-

son, second vice president; William Larson, treasurer; Mrs. Noles, parliamentarian; Mrs. Jerry Bunker, corresponding secretary; Mrs. J. E. Stone, recording secretary.

In closing her term of office, Mrs. Noles thanked her officers and all the members of Cahuilla P-TA for their fine cooperation.

This was the fourth annual potluck at Cahuilla and Chester Moorten showed color slides taken at previous gatherings. Games and square dancing added to the evening's entertainment.

Mrs. Peter B. Sheptenko was chairman in charge of this year's potluck, which is the last meeting of the school year.

Mr. and Mrs. Douglas Leeson of Riverside were guests in the Village Sunday at the home of Mr. and Mrs. R. F. Graettinger.

AT ANNUAL DINNER — The annual election and dinner meeting of the Palm Springs Hotel and Apartment Owners Association, held at Deep Well Monday night, provided a social and entertaining evening. Pictured at this table, are, left to right, Phil Levine, Zachary Pitts, Barbara Pitts, Harvey Green, Mimi Green, Dave Lyons, and Rose Levine, manager of Coronet Lodge.

Society

(Gayle Studio Photo)
IT'S NICE IN MAY — Enjoying Palm Springs' perfect May weather, golden days and star lit nights, while holidaying at Bob and Andrea Howard's popular desert spa hotel, Howard Manor, are Mr. and Mrs. Elmer F. Ulrich, of Los Angeles and Santa Barbara. Mr. Ulrich is owner and president of a Pontiac agency in Santa Monica.

Lupe Becerra, Joe Martinez Wed in Banning

Marriage vows were said Saturday morning at the Precious Blood Church in Banning, with Lupe Becerra, daughter of Mr. and Mrs. Salvador Becerra, the bride of Joe Martinez, son of Mr. and Mrs. Jesus Martinez. Father Sean Murry officiated at the ceremony.

The bride who was given in marriage by her father, wore a white satin and net gown with an elaborate train. Her lace-veiled veil was caught by a band of orange blossoms.

She was attended by Erlinda Flores attired in a yellow satin gown. Other bridesmaids were Margaret Becerra, Agapita Villapando and Julia Flores.

Robert Medina was best man and David Becerra was an usher.

Approximately 200 guests attended a reception held after the ceremony in the American Legion Hall, which was decorated with colorful bouquets. The couple will make their home in Redlands after returning from a honeymoon.

The bride attended elementary schools here and Banning Union high school and was a member of the Legion of Mary.

The groom, an employee of the city of Palm Springs, also attended elementary schools in Banning and the high school.

Teen Age Platter Party

Friday night under a bright full moon was the setting for a teen-age platter party given by Dixie Vogels at the home of her parents, Mr. and Mrs. Leonard H. Schriefer, 627 Highland drive.

The circus was the theme of the evening, with the big top, animals, cages, tightrope walker, balloons and animals carrying out the decor.

Games and dancing on the patio were the order of the evening. Guests attending were: Susan Arnsberg, Gail Bergquist, Stephanie Bruton, Melinda Hough, Nina Hall, Barbara Blawie, Rollin Binzer, Don Bradley, Jim Eagan, David Fisher, Ross Hensley, Allen Miller, Jim Theiss.

Hotel Owners Elect Eight New Directors at Annual Dinner

Dancing, a social evening and a wealth of door prizes, as well as the more serious business of electing directors, marked the annual dinner meeting of the Palm Springs Hotel and Apartment Owners at Deep Well Monday night.

President George Brown conducted the meeting, which resulted in the election of the following directors: George Brown, Adele Colgan, John Miller, Harry Bogart, Jeane Ballard, Robert Metzdorf, Jerry Webber and Evelyn Pell. Hold-over directors are Ed Davidson, Harry Paisley, Stanley Rosin, Sherman Hull, Dan McGowan, Sam Levin and Ed Jones.

One hundred and ten members and their guests and representatives of press and radio, and one city official Fire Chief Bill Leonessio enjoyed one of Santos' excellent prime rib dinners.

Through the courtesy of Irwin Schuman and the Ch. Ch. Woo Woo Stevens entertained, singing to his guitar accom-

paniment, and presented a "Sheriff's badge" from his TV show to President Brown. Lewis and Sanchez from George and Ethel Strebe's Doll House played their "Soft Shoe Tap" and several other numbers. "The Cosmopolitans" played for the dancing.

With Editor R. F. Phat Gaetinger assisting, the following prizes were given away: a dozen bath towels, Baker Company of Los Angeles, to Mrs. Ward Elsvold; two dinners at the Racquet Club, to George Wheeler; \$10 merchandise, Palm Springs Music, to Mrs. Bill Schwartz; El Paseo Market gift, Mrs. John Ravese; two dinners, Desert Inn, A. R. Spencer; two-year subscription Palm Springs Village, Walter Cowan.

Also: two dinners, El Mirador, to Mary Atterbury; gift, Leo Baker's Cantina, to Mrs. Zarita Payne; two dinners and cocktails, Lone Palm, Mrs. Harry Pitts; two-year subscription, The Desert Sun, Mrs. Dorothy Freund; three beach towels, Redlands Laundry and Dry Cleaners, Harry Brezin; gift, Beck Brothers, Mrs. Harry Paisley; planter, Neals Nursery, to Dave Lyons; 5-pound package grass seed, Palm Springs Landscape Company, to Miss Gerison; gift, Oasis Mens Shop, to Mrs. A. C. Harris.

And: two dinners and cocktails, Hotel the Oasis, to Herbert Burns; beach towels, Redlands Laundry and Dry Cleaners, Mrs. Oliver Jaynes; gift, George Brown, Mrs. Harry Berlinger; gift, two days at St. Catherine's Hotel in Avalon, Eddie Davidson, to Mrs. Elsie Cowan; gift, Santos, to Miss Margaret Martin; two dinners, Saddle and Siroin, Adolph Mueller; four dinners and cocktails, Howard Manor, Bill Schwartz.

Society Editor from Las Vegas Visits Village

Delyle Madison, society editor of the Las Vegas Sun and daughter of Mrs. Cecile Crist, will relax in Palm Springs at her mother's Las Palmas estate home on Stevens road, after a great Hellsboro in Las Vegas. She will be accompanied by four friends.

Mrs. Hazep De Luca, Mrs. Crist's sister, was director of the sweepstakes winner, the St. Joseph's School drill team. She designed the colorful and beautiful beaded costumes which won great acclaim from the thousands witnessing the parade.

John DeLuca of the DeLuca Importing company, sponsored the Youth Band from Long Beach, another winner. Mrs. Crist said she would like to see a Palm Springs winner in the next Hellsboro and has a winning idea which she would like to see used.

Alaskans Enjoy Desert

During the past few weeks a number of Alaskans have been enjoying the desert.

Mr. and Mrs. Otto Schallerer of Ketchikan arrived in time for Desert Circus week and left for home last Tuesday. While here they were guests at El Poco Lodge. Mr. and Mrs. Harry Levy of Santa Barbara, formerly of Alaska, were their guests for a few days.

Also from Ketchikan and staying at the Palm Springs hotel last week, were Dr. and Mrs. Louis Salazar and John Hovland. Betty Perkins and Linda Sandberg who were here the preceding week, also were guests at the Palm Springs hotel.

Los Compadres Breakfast Ride

On Sunday Los Compadres are planning a breakfast ride to Bill Moore's Green Acres ranch, on the edge of Tamarisk Country Club.

The riders plan to leave from the clubhouse at 7:30 a.m. and breakfast is at 9. After breakfast, they will try their skill at polo on the host's polo field.

Soroptimists Club Hears Craft Talk

A new member, Meryle Gallagher, who formerly belonged to the Soroptimist Club in Albuquerque, gave a craft talk at Tuesday's Soroptimist luncheon in the Chi Chi Blue Room.

Madge Holderman and Lucille Johnson, who were delegates at the regional conference at Riverside, continued their reports, and final reports on the recent Rummage Sale rated it a success.

Vickey Mace, a Soroptimist from Vista, was a visitor at the luncheon, and was welcomed by the president, Dr. Calista Stefan.

Nomination and election of officers are scheduled for next Tuesday's meeting.

Mr. and Mrs. Henry Lefferty have been sojourning at The Inn at Rancho Santa Fe this past week. The Leffertys have a Village home on Camino Descanso where they spend a late and early season holiday each year and reside in Pasadena.

P-T Group to Have Potluck and Election

The parents, teachers and pupils of the Katherine Finchy school will gather at the school for a potluck supper on Monday, May 24 at 6:30 p.m. The teachers will be guests of the parents of each room. The supper will be held on the school patio.

Following supper, the Parent-Teacher Group will hold the annual election and installation of officers for the coming school year.

Pupils from the fourth, fifth and sixth grades will then present a short program of folk dances and square dances. The final number of the evening is to be a square dance with daughters dancing with their fathers and sons dancing with their mothers.

Around Town

swimming pool even though everything else was closed) were dining with Desi Arnaz and Lucille Ball... and Actors Agent Curt Frings and his wife... At another table were Frank Sinatra and Mona Freeman (very blonde)...

Mrs. H. Bedford Jones is spending a week at Balboa... before closing her house and going East for the Summer... She will leave here June 4 and attend a wedding in Chicago before going to White Plains to visit her daughter and will probably spend the month of August at her cottage in Michigan...

Mrs. J. L. Sims came down Friday to the house she and her son Claude rented for the season on Patencio... She is enjoying the desert sunshine and recuperating from a bout with pneumonia...

Velma Silverman and her three children, Jack, Alan and Susie, leave June 5 to spend the Summer at Lake Geneva, Wisconsin... Eddie has already left... called to Chicago by his sister's illness...

Frank Bennett who returns Saturday from a fishing trip to the McKenzie River in Oregon... should bring back some nice trout... He told Melba over the phone, that they brought in 30 one day...

Clinton and Dorothy Fox leave June 4... headed South of the Border... They will spend all Summer down in Mexico... going first to Mexico City...

New Villagers

New Villagers, Mr. and Mrs. C. C. Hutchens (he's general manager for Cameron Oil company)... moved into their new home at 1177 Mesquite in April... Its fascinating decor and landscaping which utilizes desert boulders in striking fashion, were planned by Tony Dalu... The Hutchens, who came here from Tulsa, have three children... Jim, who is attending Columbia Television School in Los Angeles... 12-year-old Sue, and Nancy who is eight...

On Monday night the Hutchens celebrated their 28th wedding anniversary... dining at Desert Air Park... and then having Ray and Blake Corliss and Russ and Jane Wade in for the evening... These new Villagers are going to be year-around residents... They have bought a place, "The Cedars", on Strawberry Creek up at Idyllwild and will divide their Summer between mountain and desert...

Luncheon Party

In entertaining her sewing club Tuesday at her home on Santa Rosa... Ruby Fallgren invited a few guests... and made it a party... honoring Frankie Jaynes, who recently returned from Florida... and Dorothy Dunlap... The Dunlaps sail Monday aboard the Lurline for a month in Hawaii...

Enjoying the luncheon and the social afternoon were... the 8 a.m. breakfast... Melba Bennett and her helpers will have at Deep Well Ranch on the 26th for Congressman John Phillips... Governor Knight's coming to town to congratulate two of our board of directors, Earl Coffman and Francis Crocker on their tramway development... People are talking about Mr. Phat's "This Side of the Sun" constructive suggestions... the way Palm Springs takes the spotlight in golf and tennis... People are talking about the amateur baseball games that will be played on Monday and Friday nights during the summer... the success of the Desert Circus... People are talking about their plans to vacation elsewhere and those of us who plan to remain here talking about daily plunges into cool pools; tall frosted drinks; and lazy siestas.

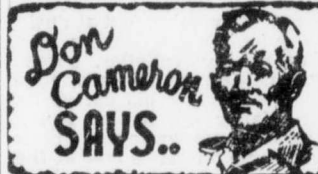

Charles Becker left Sunday night for Springfield... and Win and Jackie Cole and the youngsters will leave on Saturday... Besides a visit to New York City... the Beckers plan a trip up to Maine this Summer...

NECKLACE MISSING

Loss of a pearl necklace valued at \$1,000 while shopping Wednesday evening was reported to police by Lenore Feintech, 466 Patencio road.

(Bob Timms Photo)
NEWLYWEDS — Mr. and Mrs. Richard M. Clarke, she is the former Sylvia Ann Nelson, were married Saturday morning at St. Paul's in Desert church. They have returned from a short honeymoon trip and will be honored tonight at a dinner given by the bridegroom's mother Mrs. Verna Clarke.

Just figured why my appointments don't work out—all day long station XEMO, Mexicali, plays in the back room, giving the best bargains in Zapatos, Camisas, and Cerveza Carta Blanca... then the announcer gives the time, "Siete de la mañana"—but in America's forest most desert resort on daylight savings it's 8 o'clock—we're an hour ahead. Thought I'd slip this little item in just in case I missed somebody or was late somewhere.

What a week for Progress—with a capital "P". Early Monday morning contractor W. E. Grossman started construction of the new Rancho Mirage post office. This should be duck soup for him, since the report has it that he's built over a couple dozen P.O.'s including the new ones in Indio and Blythe. His foreman, Monty Healy stressed the fact that all local subcontractors are being used. Tract manager, Roy St. Leon, and water company superintendent, Frank "Pancho" Reyes, had their hands full directing the removal of the old fire station and oleander bushes from the site—corner East Veidt and Highway 111.

More progress this week. The new lights were turned on the runway at Desert Air Sunday night and the W. E. Robinsons had the distinction of being the first to take off in their smart Cessna, bound for North Hollywood. That gives Harry "Houdini" Greenwood one more vacation. Now, besides holding down the bar, doing magic, telling jokes, he's sort of "keeper of the lights". When a plane buzzes the hotel, Harry stops jokes, tricks or mixing a drink and rushes to the light switch. More progress and more runway lights—attractive Eleanor Wagner, habitue of the Desert Air and manager of Thermal Airport told me of the celebration, May 29, when the new lights got on down there. These were purchased by the Riverside County Airport Commission. There were two more attractive Eleanors in the Compass Room Sunday evening—bearded Jack Hefferman was with blonde Eleanor Larabee, then our own pretty and smartly dressed Eleanor (Mrs. John) Novas.

Some mighty pretty Beths there, too—Beth Mauzy, owner of El Rancho Apartment hotel; Beth Belden from Hollywood; Beth Paddock, who's done just a terrific job as vice-president of the Pet Owner's Protective League. One Beth missing at

Expect Capacity Crowd for Yorty Luncheon Sunday

A capacity crowd is expected for the luncheon in honor of Congressman Sam Yorty, Democratic candidate for Congress, Sunday at the Palm House, arrangements chairman George Maypole reported today.

A limited number of reservations are still available though, Maypole said, and may be made by contacting the Palm House, Maypole or August G. Kettmann.

A representative of Richard

Graves, Democratic candidate for governor; and Bruce Shangle, Democratic candidate for Congress, will be present and introduced to those attending.

All candidates for local or county offices, whether Republican or Democrat, have been invited, and will be introduced from the audience.

Kettmann will be chairman of the luncheon meeting. Yorty will be introduced by Maypole, and Shangle by Fred C. Wolpert, president of the Riverside county Democratic committee.

Menus

Menus to be served in cafeterias of Palm Springs Unified district schools May 24 to 27 are listed below to aid mothers in planning home meals.

Monday—Beef and noodle casserole, creole string beans, lettuce and tomato salad, wholewheat bread and butter, deep dish apple pie, milk.
Tuesday—Porcupine meat balls in tomato sauce, hash brown potatoes, spinach with lemon wedge, french bread and butter, canned peaches and cookies, milk.

Wednesday—Beef and vegetable casserole, shredded lettuce with cheese dressing, buttered corn on cob (high school), cracked wheat bread and butter, cake with strawberry marshmallow whip, milk.

Thursday—Swiss steak, whipped potatoes, buttered vegetables, cole slaw, wholewheat bread and butter, apricot cobbler, milk.

of national and international publicity—Cheerio Amigos.

Ford's First IN SALES

For more than a half year more people have purchased Fords than any other make

Ford has established a new standard of fine-car quality and fine-car features in its field. And in recognition of the extra value that's built into Ford cars... buyers have made Ford America's best seller!

Ford is the choice of value-wise and discriminating people. It offers so much in trend-setting features... and styling. In the '54 Ford you get engineering advancements you'd expect only in higher-priced cars, styling that is setting the "beauty-pace" on the American Road.

Test Drive a '54 Ford today... and see for yourself why Ford is America's best seller... your best buy!

New car registration figures* show:

For the last nine months Ford has been first in sales in Southern California and Arizona.

For the last seven months Ford has been first in sales nationally.

*SOURCE: R. L. Polk & Company. Period through March, latest month for which figures are available.

Truck Scales at Junction Soon to be Moved West

The old truck scales on U.S. 60-70-99 near the junction of State Sign Route 111 to Palm Springs will soon weigh their last truck, it was announced Friday by C. V. Kane, district engineer of the State Division of Highways in San Bernardino.

On June 10, 1954 bids will be opened in Los Angeles for the removal of the present scales and the construction of two new truck scales and weighing house, one on each side of the highway, about one-third mile west of the present location.

The old scales were originally installed between Beaumont and Banning in 1928 and many thousands of trucks have been weighed since that time to insure compliance with State laws governing maximum weights of commercial vehicles.

According to Kane, the scales at Palm Springs junction are now worn practically beyond repair. While originally located at the side of the road, the installation is now in the median area of this heavily traveled trans-continental highway. Its proximity to the junction with the highway to Palm Springs also leads to confusion and delay, not only to trucks, but to through passenger traffic.

Kane said that the proposed work will take about three months to complete and should result not only in a saving of time for the great number of trucks weighed but also in safer and easier travel for all the heavy traffic on this highway.

Police Car

Damaged While at Crash Scene

Damage estimated at \$100 was caused to a parked police car at 9:45 p.m., Saturday, while the officer, Charles Travers, was assisting California Highway Patrol officers at an accident at the intersection of North Indian avenue and Sanview Way, just outside the north city limits.

Driver of the car which struck the police vehicle was Lawrence Edward Blackburn, 335 North Marcus road.

Finds Lost Cash in Automobile

Recovery of the \$135 reported lost from his clip Friday evening was told police Saturday by Grover E. Tallin, Los Angeles.

The money was located in the car which had taken him to his hotel, he said.

Bumper Riding Cause of Many Auto Accidents

Don't throw your passengers through the windshield by striking the rear of the car ahead.

This warning came from the California Highway Patrol in pointing out that "bumper riding" is a leading cause of accidents.

"Following too closely is not only a dangerous violation of the law, it is one that can always be avoided," commented Patrol Commissioner B. R. Caldwell.

"Drivers who have no idea of the distance a car will travel in a given interval are most apt to find themselves involved in serious rear-end collisions," he said.

A moving automobile travels one and one-half times the speedometer speed in feet per second. For example, at 30 miles per hour an automobile will travel 45 feet per second; at 50 miles per hour it travels 75 feet per second; at 60 miles per hour it goes 90 feet per second.

"When allowance is made for the three-quarters of a second reaction time that lapses while the average driver applies the brake, it is obvious that the driver is apt to drive right into the rear of the car ahead," Caldwell explained.

He suggested that a good rule for safe driving is to allow at least one car length distance from the car ahead for every ten miles of speed.

Adverse Ruling Hits Airline Plan

Ted Hannah, county airports director, indicated this week that the campaign to obtain additional feeder airline service for the eastern portion of the county, will be continued despite an adverse decision by Examiner Walter Bryan of the Civil Aeronautics Authority.

The feeder service permit had been asked by Bonanza and Southwest Airlines.

Bryan's report recommending against the permit, was filed with the board of supervisors last week.

He ruled that there was insufficient potential patronage for the service and that public convenience did not require it.

Exceptions may be filed within 15 days after receipt of the notice and another 20 days are allowed for filing briefs. Oral arguments then follow.

The city of Palm Springs remained neutral in the campaign as the feeder service did not involve the local airport.

The second most important thing to a young man is a car to take the most important for a ride—Kossuth Co. (Inc.) Advance.

March of Dimes Total Highest in County History

Brig. Gen. W. A. White, chairman of the county-wide March of Dimes, announced last week that total contributions in the county were \$59,301.51. The amount is just short of the \$60,000 county goal but contributions are still coming in, he said. It exceeds the 1953 campaign receipts by \$4,544.33.

In Palm Springs the campaign, under direction of Mrs. B. H. Poliak, raised \$7,351.28, second largest total in the county.

This year's drive returns are the highest on record for Riverside county, General White said, but the need is also the greatest.

The county chairman referred to nationwide tests now in progress to determine whether a new vaccine will check or eliminate outbreaks of polio. Mass vaccination of children is now under close study.

"Your Riverside county chapter," General White said, "is continuing to care for polio patients."

General White attributed success of the local campaign to teamwork in many communities.

"We tried to thank all who participated," he said, "but there are many we cannot reach, particularly unidentified donors of relatively large sums."

Golf Clubs

Visitor Reports Loss to Police

Loss or theft of a set of golf clubs from his car was reported to police by letter from Martin Freedman of Los Angeles. Freedman said that the clubs were missing from his car when he arrived at his home in Los Angeles, and that it was possible that they disappeared while he was enroute from the Village.

Missing are four woods, 10 irons and 10 golf balls, besides the golf bag.

Held for Trial in Check Case

Lafayette Artie Grooms admitted allegations of passing bad checks when appearing before Judge Eugene Theriault in justice court Monday, and was bound over to Superior court.

Grooms was arrested on complaint of a friend, who cashed several personal checks for him and then discovered that they were not covered by money in the bank.

Time for Parties

The lovely warm nights of May are an inspiration for outdoor entertaining, and with the rustle and bustle of a busy season nearly over, numerous parties have been given in the past week.

Jim and Mary Wolseth entertained with a patio supper at their Desert Lodge Wednesday of last week in honor of John and Lucy Abels and Mrs. Abel's two sisters of North Carolina and South Carolina, Mrs. Bess Weaver and Mrs. Jane McLarty. Mr. and Mrs. Abels are well known in Cathedral City having lived here for quite a few years, during which time Mr. Abels was pastor of the Community church and Mrs. Abels president of the Woman's Club. Other guests were Mr. and Mrs. L. C. Lewis, Mr. and Mrs. Leslie Kelley, Mr. and Mrs. Wilbur Larrison, Mr. and Mrs. Russ Hewitson, Mr. and Mrs. Clark and Doug McDonald, nephew of Mrs. Wolseth.

Saturday night, Mr. and Mrs. Leslie Kelley served a barbecue dinner for County Assessor Frank Burchfield and Mrs. Burchfield and the Deputies and their wives of the Indian Branch of the County Assessor's office.

Tuesday evening just at dusk, the quiet of the evening was disturbed by whistles, sirens, tin pans and car horns when a group of 42 friends called on the Walter Colglaziers for a surprise house-warming in their new home on "H" street at the head of Glenn. A lovely bouganvillea with real greenbacks for leaves was presented to the surprised host and hostess, so that they could choose their own gift. Punch, ice cream and cake brought by the guests was served at the end of the evening's festivities.

Yesterday afternoon a luncheon and Canasta was enjoyed at the home of Mrs. Edna Cobb honoring two friends, Mrs.

Mrs. Hunter to Attend Meeting

Mrs. Graham Hunter, wife of the pastor of Cathedral City Community church is one of 3800 women who will attend the Presbyterian Women's Quadrennial at Purdue University, West Lafayette, Indiana.

The sessions will be held from June 1 to 7 and she plans to leave for the midwest soon.

Because of the unprecedented demand for accommodations at the event, 1500 more women have been turned away, Dr. Hunter said.

READ SUN CLASSIFIED ADS

Club Closes Season

The last meeting of the school year of the Cathedral City School club was held Thursday. A fine representation of interested mothers entered into various discussions concerning their children. A reading demonstration by the first graders was conducted by Mrs. Gladys O'Byrne. Mrs. Dorothy Angell, president, announced that election of officers will be held at the first meeting in the Fall.

Family Reunion

Before leaving for navy duty overseas with his wife and three children, Jack Scherck, son of Charles and Victoria Scherck, is having a family reunion at his home in Tom's River, New Jersey. Mrs. Scherck with her daughter Myra, left by train on the 6th of this month, with Mr. Scherck following by plane last Saturday.

Books for Library

Librarian Warner Moon announced that several contribu-

tions of books have been received from residents who are closing their homes for the summer, as a result of a recent appeal for donations to the library. He says that there is still room on the shelves for more. The library now boasts a complete catalogued file of the National Geographic Magazine from 1914 to date, 480 magazines.

Girl Scouts Court

Brownie Troop 7 and Girl Scout Troops 6 and 21 held their Court of Awards and Brownie "Fly-up" ceremony last Wednesday evening at the school cafeteria. Troop leaders for the past year were Mmes. Alvin Lake, Russell Morrison, Paul Watkins, Robert Schmidt, and Jerry McManaman. Brownies who received their wings and became invested as Girl Scouts in a candle light ceremony were: Sally Gorges, Doris Sing, Patty Patane, Stephanie Mone, Marilou Ballagh, Linda Lake, Judy Jorgenson, and Barbara Boster. Girls of Troops 6 and 21 who became Second Class were: Susan Schwartz, Barbara Lorraine, Betty White, Ruth Watkins, Diane Walker, Sharon Foss, Judy Kliebe, Silvia Holmberg, Janice McGowan, Pamela Ham, Melinda Watkins, Carolyn Smith, and Patricia Phillips. Proficiency Badges were awarded as follows: Troop Dramatics—Janice McGowan, Melinda Watkins, Sharon Foss, Silvia Holmberg, Judy Kliebe and Pamela Ham. Musician—Linda McManaman, Diane

Walker, Sandra Schmidt, Patricia Phillips, and Grace Nelson. Cook—Darlene Kahl, Jackie Goode, Diane Walker, Linda Scheyer, Ruth Watkins, Patricia Hayhurst, Housekeeper—Diane Walker, Jackie Goode and Linda Scheyer. Speaker—Ruth Watkins and Linda Scheyer. Good Grooming—Linda Scheyer. Pioneer—Darlene Kahl. Needlecraft—Rita Krupp. Swimmer—Patricia Hayhurst, Grace Nelson, Patricia Phillips, Sandra Schmidt, Carolyn Smith, Karen McGinnis, and Florence Prathers. Outdoor Cook—Florence Prathers, Carolyn Smith, Karen McGinnis, Sandra Schmidt, Grace Nelson, Patricia Phillips, and

The Desert Sun—4b and PALM SPRINGS NEWS PALM SPRINGS, CALIFORNIA Thursday, May 20, 1954

Patricia Hayhurst. Back yard camper—Grace Nelson, Sandra Schmidt, Patricia Hayhurst, Patricia Phillips, Karen McGinnis, Florence Prathers and Carolyn Smith. Seated around a camp fire the girls gave reasons for being in Scouting, with the explanation of the Promise. The girls of Troop 21 told what the design stands for on the World Flag which they made. Several songs, dances and piano numbers by the girls ended the program.

LAKE TAHOE

IN THE COOL EVERGREEN SHANGRI-LA OF THE SIERRAS — 6,225 FEET ABOVE SEA LEVEL

The migration of your desert friends and neighbors to the cedar and pine scented cool altitudes of Lake Tahoe is now underway. By the first week of June you will be shaking hands and saying hello to many with whom you spent the winter vacation in Palm Springs. Literally, Lake Tahoe during the summer months is Palm Springs transplanted from the desert to the Sierras, and the wonderland of this nation's largest mountain lake with 100 miles of shoreline.

Accommodations are graduated to meet any vacationer's budget, ranging from trailer parks to luxurious suites at some of the finest hotels known in this country today. Camping sites are also available — so come to LAKE TAHOE for the finest time of your life!

You may set your own recreational pace

BOATING ON BEAUTIFUL LAKE TAHOE, the waters of which reach into two states, California and Nevada. It's a fisherman's paradise; a boating enthusiast's highland Eden — swimming, horseback riding, hiking and golf. There is dancing, too, to the music of splendid name bands and orchestras.

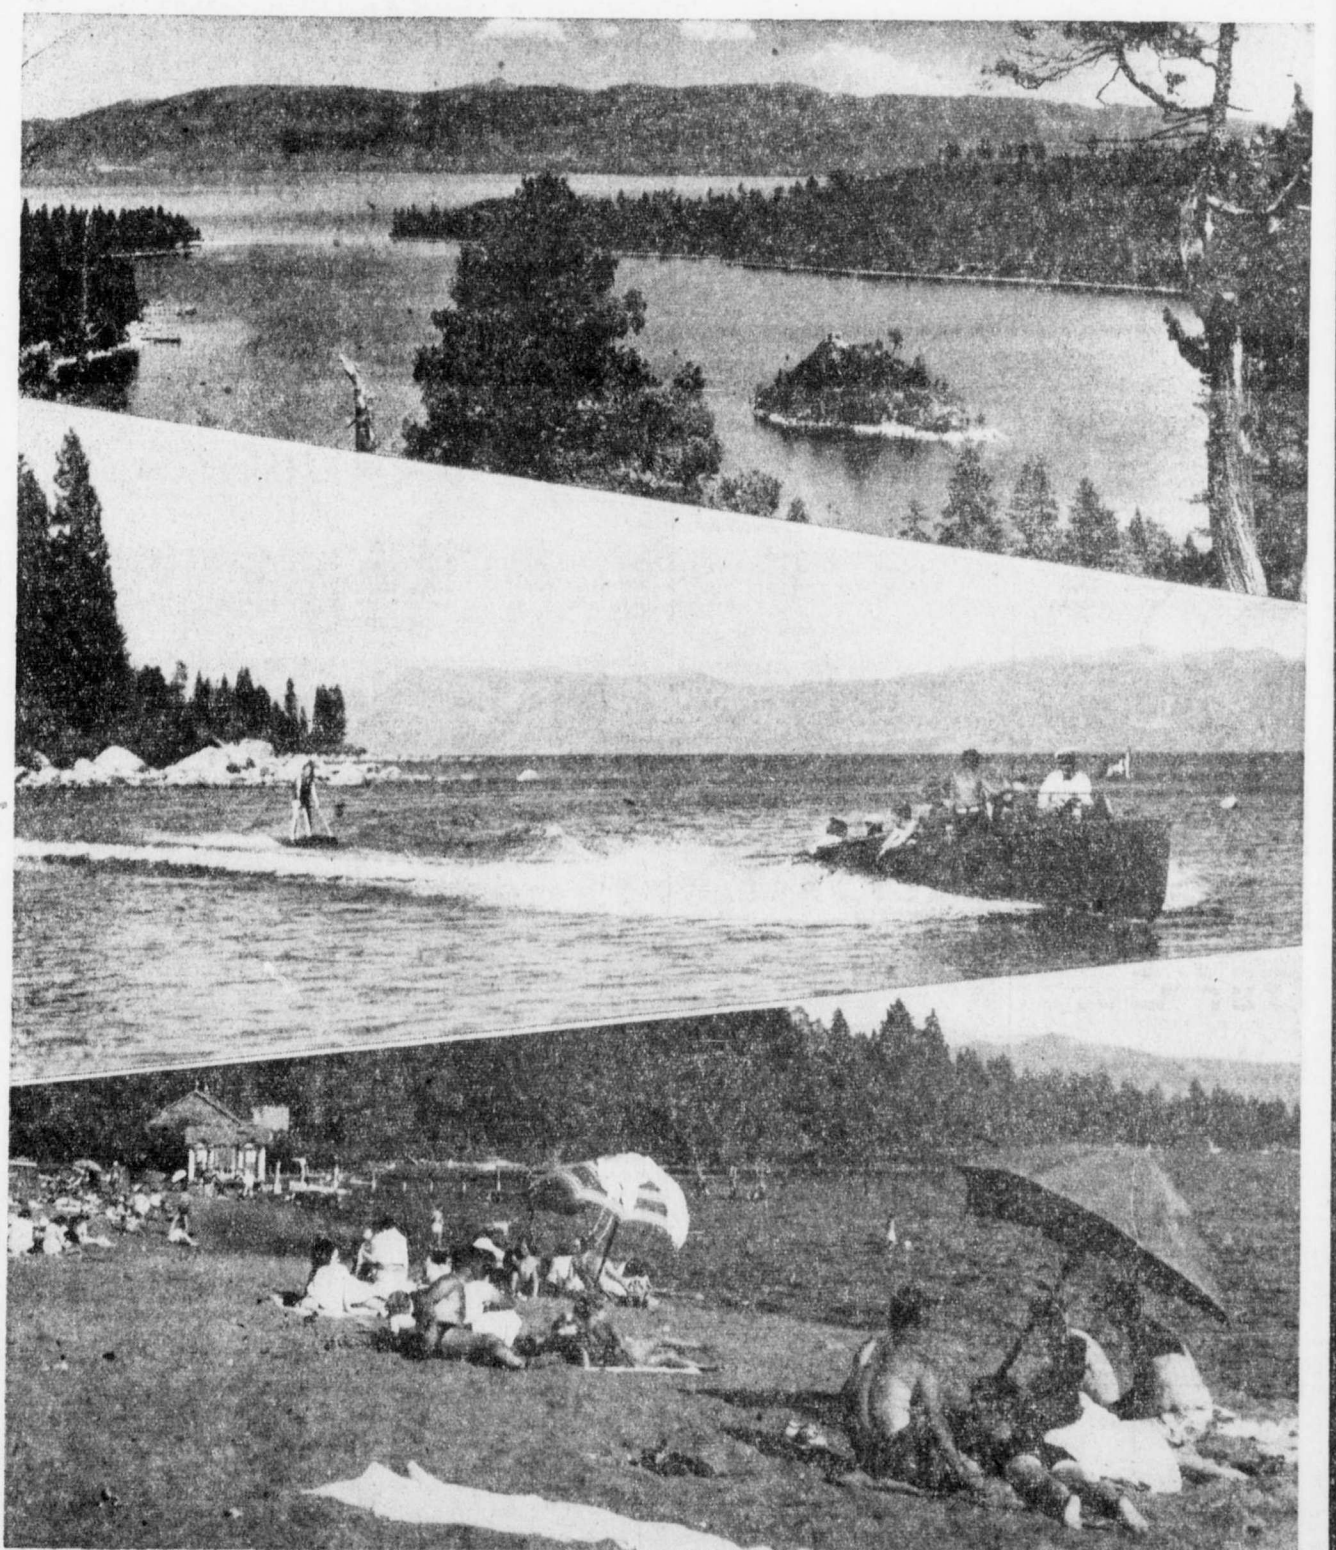

And there are gaming casinos on the Nevada side with the best floor shows seen anywhere in the country.

Make LAKE TAHOE your next vacation resort. The most ideal place in the world to take the family. At least make your reservation now before it is too late and while the accommodations you desire are still available.

CHURCH EXPANSION — Above is the architect's drawing of St. Paul's in the Desert, Episcopal church, as it will appear when the proposed enlargement program, planned 12 years ago, is completed. Work is expected to start this Summer on the project.

Enlargement of St. Paul's Church Expected by Fall

Construction is expected to start this Summer on completion of the main body of St. Paul's in the Desert, Episcopal church, along plans originally

designed 12 years ago, the Rev. William A. Blonden Jr. said this week. When the church was built in 1942, the congregation seating capacity allowed for 100 persons with the expectation that the nave would be lengthened and widened at a future time to seat 280 persons.

FOR A NUMBER of years the congregation at St. Paul's has outgrown the size of the building, necessitating the use of inconvenient movable chairs placed at the rear and in front of the church, said Father Blonden.

At the annual parish meeting this year, a building committee was appointed to make a study of plans for enlarging the church and file a report with the Vestry. The committee consisted of John Connell, chairman, Francis F. Crocker, William Tackett, Mrs. Charles Dant and Mrs. Rex Hardy. After studying the situation they recommended that the total expansion be planned to enable 280 people to be seated in the congregation.

THE VESTRY accepted the plans with the proviso that at least half of the necessary money be raised from donations before any actual construction began. Cost of the enlarging project was estimated at \$25,000 with other expenses of furniture, air conditioning, landscaping and other incidentals bringing the total to between \$35,000 and \$40,000.

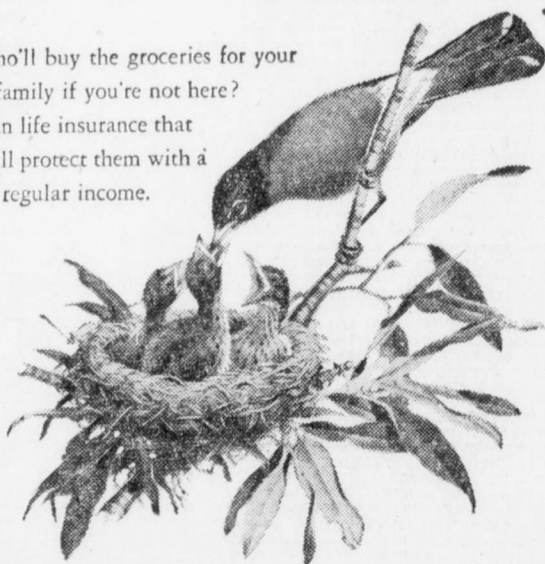

Acting on the request of the building committee and the Vestry, the rector, Father Blonden, instigated a fund-raising campaign among members and friends of the church. IF RESULTS comparable to the early part of the drive continue, he said, the proposed construction will take place during the coming Summer months so that the enlarged church will be ready for use this Fall.

Included in the general remodeling will be the widening of the choir space to enable people in the congregation to have a better view of the Sanctuary and altar. This will allow the choir more freedom and space and will provide more free access to the altar rail at those services where the Holy Communion is celebrated.

Garden Hose Stolen from Village Yard

Theft of 50 feet of green plastic hose from their yard at 403 North Palm Canyon drive last weekend was reported to police by Mrs. J. W. Chandler.

YOUR PRUDENTIAL AGENTS

Regular Hours at St. Paul's Church Throughout May

Regular services will continue at St. Paul's in the Desert Episcopal church throughout May. Each Sunday Holy Communion will be celebrated at 8 a.m., church school at 9:30 a.m. and the morning service at 11 a.m. Holy Communion on Thursday at 10 a.m. will continue through May 27, Ascension Day.

Sunday, May 23, the fifth Sunday after Easter, morning prayer and the Litany will be read at the 11 a.m. service, following the ancient custom of special prayers for the Thanksgiving bounty which will be harvested in the Fall of the year. The rector, the Rev. William A. Blonden Jr., will preach on "Letting Go."

Annual Vacation Bible School to Start June 1

Daily vacation Bible School will start June 1 and continue through June 11 at Palm Springs Community church, Dr. James H. Blackstone Jr., the minister, announced.

This year's theme is "Pioneering with Christ," and a western program has been planned. "Before the pioneer families prepared to join a wagon train to go west, they wanted to learn as much as possible about the land to which they were going, what the trip would be like, what to take with them and what they could gain by the trip," said Dr. Blackstone. "These questions will all be answered in 'Pioneering with Christ.' The young people from the Beginners' department to high school age, will enjoy the music, crafts, stories, games. Each superintendent and her staff has been busy with plans for the annual school."

Rabbi Landau to Conduct Service at Temple Isaiah

Religious Services will continue at Temple Isaiah of the Jewish Community Center through Tuesday, June 8, which is the Shavuot Holiday.

This Friday evening, Rabbi M. M. Landau of Arcadia, California, will be the guest Rabbi to occupy the pulpit for the Sabbath Services, at 8:15 o'clock.

Traditional Sabbath Services will be held Saturday morning at 10 o'clock.

Children's Day to be Observed at Cathedral City

Cathedral City Community church will observe Children's Day next Sunday at 9:30 a.m., Dr. Graham Hunter announced this week.

There will be music by the Youth and Junior choirs and attendance rewards will be given Sunday school pupils. Perfect attendance records were achieved by Tom and Jerry

Jewish Center Closes Season with Reception

Jewish Community Center held its closing membership meeting and celebrated with a cocktail party and buffet dinner at which more than two hundred members were present Sunday night. This marks the close of the season for Center activities, although religious services will continue to be held until Tuesday, June 8, which is the Holiday of Shavuot.

"The Jewish Community Center had a very successful year, and looks forward to opening its doors for 1954-55 early in September, and wishes all its members and friends a very pleasant vacation wherever they plan to spend the Summer months," said Zach Pitts, acting president.

Blair during the year, the pastor announced.

Prospective graduates from Junior high school and from sixth grades will be seated in a group.

Dr. Hunter will deliver the sermon.

The Desert Sun—8b and PALM SPRINGS NEWS PALM SPRINGS, CALIFORNIA Thursday, May 20, 1954

Sunday School Promotion Day Program Slated

Sunday will be promotion day for the Sunday school of Palm Springs Community church with a special program for all departments scheduled at 10:30 a.m.

Theme of the program will be "Building on the Cross" and William Dunkerlev will be the narrator.

Graduating students in each department will have a feature part in the program.

Superintendents in charge are Mrs. Charles McDonald, Mrs. Al Normandin, Mrs. James Blackstone, Mrs. William Voith, Mrs. Frank Little and Mr. and Mrs. Dave King. Mr. and Mrs. Normandin will direct the program.

The annual Baccalaureate service for high school seniors will be held at the 7:30 evening service, Jerry Seps, class president, will lead the responsive reading, Edward Kibbey and Harry Krings will be heard in trumpet duets with Sandra Hill as accompanist. Vallerie Hubbs, alto, and Hortense Prieto, flutist, will be heard in special numbers.

Dr. James H. Blackstone Jr., pastor of the church, will speak to the graduating class on "Let's Look at Life."

Dr. Haussler to Speak Saturday at Local Church

Scheduled to serve as guest speakers while Pastor Kenneth Smith is in attendance at the 47th General Conference of Seventh-day Adventists in San Francisco are Dr. J. C. Haussler, Professor of Religion at La Sierra college in Arlington and Vernon Jones, ministerial graduate from the college in 1953 and now business manager of the Voice of Youth radio program.

Dr. Haussler will speak at the 11 a.m. service Saturday at the Palm Springs Seventh-day Adventist church. Jones will speak the following Saturday, May 29, in the absence of the pastor, L. B. Close, the local elder, will conduct the order of service.

Pastor Smith also announced that the Wednesday evening service at the church will be temporarily discontinued until after the General Conference session.

Special Service at New City to be Held Sunday

Dr. Edwin J. Dingle, chancellor of the International Church of the Holy Trinity, Los Angeles, will conduct a special service at the New City of Mentalphysicists, between Yuca Valley and Joshua Tree, at 11 a.m. Sunday.

Dr. Dingle's subject will be "Man's Final Victory—He Must Triumph in Spite of Himself," and the service will be held in New City's great Caravansary of Joy, situated on the 29 Palms highway.

Dr. Dingle is in the desert at the head of a pilgrimage of about 100 Mentalphysicists students who are spending two weeks at New City in meditation and study. These delegates to the eighteenth such convention to be held in the desert have come from Hawaii, Canada, Mexico and all sections of the United States. The longest traveler is a U.S. Air Force officer who flew home from Korea to join his wife and infant daughter at the convention.

This is the second of this year's conventions, three more to be held in June, September and October, with a total of about 500 men and women coming for the course of study.

Dr. Dingle's services are non-sectarian and he said that people of all faiths in the area are cordially invited to attend.

At the conclusion of the service, he said, visitors will be given opportunity to inspect the installations of the growing New City.

Suitcase Stolen from Parked Auto

Theft of a suitcase from his car parked in a local parking lot from 8 a.m. to 8 p.m. Saturday, was reported to police by Fred Federighi, 301 North Belardo road.

Carnation Corner

As a child, I visited a favorite Aunt in the Northwest early one summer — and the biggest treat of the whole visit was a wonderful mountain picnic we enjoyed when the wild blackberries were ripe and luscious. Today, you can enjoy that same tangy-sweet flavor in Carnation Wild Mountain Blackberry Ice Cream. I know you will find it a very "special" and unusual treat!

How To Plant Tiny Seeds

Tiny seeds have a tendency to stick to your fingers...or drop in little piles. Take the rubber bulb off of a medicine dropper, tuck the seeds inside the glass tube—then it's easy to distribute them evenly.

What's more fun than a backyard meal? Fresh air is sauce for appetites—but for an excellent barbecue sauce, try this special, spicy recipe!

WESTERN BARBECUE SAUCE

(Makes 1 quart sauce)
1 cup finely chopped onion
1/4 cup finely chopped green pepper
2 tablespoons butter
2 cups tomato juice
1 cup consommé
1 cup pineapple juice
1/4 cup vinegar
1/4 cup lemon juice
1/4 cup brown sugar
2 teaspoons salt
2 teaspoons dry mustard

Brown onion and green pepper in butter in skillet over low heat. Add remaining ingredients and simmer about 25 minutes before using for basting hamburgers, hot dogs or ribs.

CORIANDE MAKES YOU THRIFTY
You may never have seen coriander seeds, with their tangy flavor of lemon peel and sage—but you certainly have eaten them! Used universally as a seasoning for frankfurters, there's an old belief that coriander makes you thrifty! Do remember ice cream is included in good reducing diets. It is so high in "protective" values — yet so much lower in calories than pastry-type desserts. So, even if you are watching your weight—be sure to enjoy Carnation's very special Wild Mountain Blackberry Ice Cream!

Cut 6 hard-cooked eggs in half lengthwise. Remove yolks, mash and combine with 2 tbsp. Half & Half, 2 tbsp. mayonnaise, 1 tsp. vinegar, 1/4 teaspoon salt, 1/2 teaspoon dry mustard and 1/4 cup chopped dried beef (or devilled ham). Mix well, then refill.

HINT FOR HUSBANDS

A quick (and thrifty) picnic grill is a piece of 1/2-inch mesh hardware wire. Heat before using to remove galvanization.

REMEMBER — indoors or out, there's no finer treat than Carnation Wild Mountain Blackberry Ice Cream! All the regular carton sizes—and the handy new 1/2-gallon size that makes up to 16 generous servings.
